治回

Targeted towards those students who are aware of the basics but want to improve their understanding of complex topics, inter-linkages among them, and analytical ability to tackle the problems posed by the Mains examination.

Covers topics which are conceptually challenging.

Approach is completely analytical, focusing on the demands of the Mains examination.

Mains 365 Current Affairs Classes (Offline)

Duration: 12 weeks, 5-6 classes a week (If need arises, class can be held on Sundays also)

.....

Comprehensive current affairs notes

# **GOVERNMENT SCHEMES COMPREHENSIVE PART - 1**

#### **Table of Contents**

1. MINISTRY OF AGRICULTURE & FARMERS
WELFARE4
1.1. Agriculture Infrastructure Fund (AIF) 4
1.2. AgriSURE (Agri Fund for Start-ups & Rural
Enterprises) Scheme 5
1.3. Cluster Development Programme (CDP) 5
1.4. Digital Agriculture Mission (DAM) 6
1.5. National Mission on Natural Farming 8
1.6. Formation And Promotion Of 10,000 New
Farmer Producer Organizations (FPOs) 9
1.7. Pradhan Mantri Kisan Samman Nidhi
Scheme (PM-KISAN) 9
1.8. Pradhan Mantri Fasal Bima Yojana (PMFBY)
10 1.9. Pradhan Mantri Kisan Maan-Dhan Yojana
•
(PM-KMY)12 1.10. National Mission On Edible Oils – Oil Palm
(NMEO-OP)12
1.11. Mission For Integrated Development Of
Horticulture (MIDH) 13
1.12. Kisan Credit Card (KCC) 15
1.13. Rashtriya Krishi Vikas Yojana (RKVY)
Cafetaria scheme 15
1.13.1. Soil Health Card Scheme 17
1.14. Other Schemes/Miscellaneous Initiatives
18
2. MINISTRY OF AYUSH25
2.1. National Ayush Mission (NAM) 25
2.2. Other Schemes/Intiatives 26
3. MINISTRY OF CHEMICALS & FERTILIZERS 28
3.1. Nutrient Based Subsidy (NBS) Scheme 28
3.2. Production Linked Incentive (PLI) Scheme for
Pharmaceuticals 29
3.3. PLI Scheme for Promotion of Domestic
Manufacturing of Critical Key Starting Materials
(KSMs), (Drug Intermediates) DIS and (Active
Pharmaceutical Ingredients) APIs 30
3.4. PLI Scheme for Promotion of Domestic
Manufacturing of Medical Devices 30

3.6. Assistance to Medical Device Clusters for Common Facilities (AMD-CF) Scheme 32 3.7. Pradhan Mantri Bharatiya Jan Aushadhi
Pariyojana (PMBJP) Scheme 33
3.8. Other Schemes/Miscellaneous Initiatives 34
4. MINISTRY OF CIVIL AVIATION 36
4.1. Ude Desh Ka Aam Naagrik (UDAN)/Regional
Connectivity Scheme (RCS)36
4.2. Other Schemes/Initiatives37
5. MINISTRY OF COAL 38
5.1. Other Schemes/Initiatives 38
6. MINISTRY OF COMMERCE & INDUSTRY 40
6.1. PLI for White Goods (Air Conditioners and
LED Lights) Manufacturers in India40
6.2. Startup India40
6.3. Uttar Poorva Transformative
Industrialization Scheme (UNNATI), 202441
6.4. Other Schemes/Initiatives42
7. MINISTRY OF COMMUNICATIONS 48
7.1. BharatNet 48
7.2. PLI Scheme for Promoting Telecom &
Networking Products49
7.3. Other Schemes/Initiatives49
8. MINISTRY OF CONSUMER AFFAIRS, FOOD &
PUBLIC DISTRIBUTION   53
8.1. National Food Security Act (NFSA), 2013_53
8.2. Other Schemes/Initiatives54
9. MINISTRY OF COOPERATION 56
9.1. Dairy Sahakar Scheme56
9.2. Other Schemes/Initiatives56
10. MINISTRY OF CORPORATE AFFAIRS 58
10.1. Other Schemes/Initiatives58
11. MINISTRY OF CULTURE 59
11.1. Other Schemes/Initiatives 59
12. MINISTRY OF Defence 61
12.1. ADITI (Acing Development of Innovative
Technologies with iDEX)61

# **Note to Students**

#### Comprehensive part 1

- To ease the reading and to help aspirants use their time in the most efficient manner, we have already released the "Government Schemes in News 2025" document which covers all the schemes that were in news in the last one year.
- Now we are releasing the **comprehensive document** on government schemes which covers **all the schemes operational** under different ministries/ departments.
- This document is being released in 2 parts:

Government Schemes Comprehensive (Part 1): The current document.

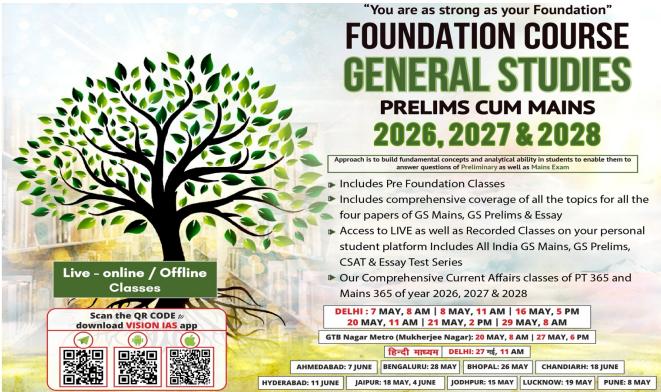

**Government Schemes Comprehensive (Part 2):** The document to be released soon.

- **Infographics have been added to ease understanding**, provide for smoother learning experience and ensure enhanced retention of the content.
- **QR based Smart quiz** has been added to test the aspirant's learnings and understanding

#### All the Best,

Vision IAS

# **1. MINISTRY OF AGRICULTURE & FARMERS WELFARE**

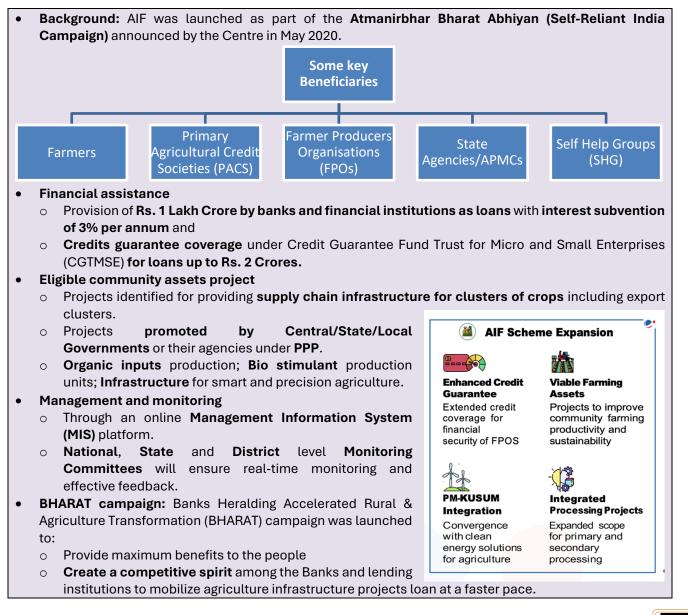

#### **1.1. AGRICULTURE INFRASTRUCTURE FUND (AIF)**

#### **Quick facts**

- **Purpose:** To address the existing infrastructure gaps and mobilize investment in agriculture infrastructure.
- **Type:** Central Sector Scheme
- Implementing Agency: NABARD (National Bank for Agriculture and Rural Development)
- Tenure: Upto 2032- 33

**Objective:** To mobilize a **medium to long term debt financing facility** for investment in viable projects **for postharvest management Infrastructure and community farming assets.** 

#### Salient features

#### **1.2. AGRISURE (AGRI FUND FOR START-UPS & RURAL ENTERPRISES) SCHEME**

#### **Quick Facts**

- Purpose: To support innovative, high-risk, high-impact activities in agriculture and allied areas
- Fund's sponsors: Government of India and NABARD
- Investment Manager: NABVENTURES Ltd., a wholly owned subsidiary of NABARD
- Tenure of the Fund: 10 years

#### Objectives

- Foster investment in agriculture and rural start-ups by supporting Alternative Investment Funds (AIFs).
- Strengthen farm produce value chains for better profits through profitable forward and backward
- linkage systems.
- Create jobs for skilled rural and urban youth.
- Retain and attract youth to agriculture

#### **Salient Features**

- **Background:** Budget 2022-23 announced a blended capital fund (raised under the coinvestment model via NABARD) to support agriculture and rural start-ups, focusing on farm produce value chains.
- **Target Beneficiaries:** Support 85 startups in sectors like Agritech, Food Processing, Animal Husbandry, Fisheries, and more.
- Legal status of Fund: Fund is registered as a Category-II Alternative Investment Fund with SEBI.

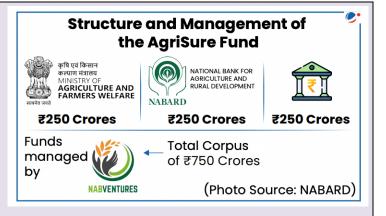

#### • Compontent Schemes

- AgriSURE FoF Scheme
  - >  $\:$  Supports Category I & II AIFs investing in Start-ups in preferred sectors.
  - > Investments in SEBI-registered sector-agnostic, sector-specific, and debt AIFs.
  - > Corpus: ₹450 crore, and Max Investment per AIF: ₹25 crore or 5% of AIF corpus, whichever is lower.
- AgriSURE Direct Scheme
  - Direct equity investment in DPIIT-recognized early-stage Start-ups incorporated in India.
  - > Corpus: ₹300 crore and Max Investment per Start-up is ₹25 crore, as per AIF regulations.

#### 1.3. CLUSTER DEVELOPMENT PROGRAMME (CDP)

#### **Quick Facts**

- **Purpose:** To leverage geographical specialisation of horticulture clusters and promote integrated development of pre-production, production, post-harvest, logistics, branding, and marketing activities.
- Type: Central Sector Scheme
- **Benefits:** Financial Assistance up to 100 crore for Mega, 50 crore for Midi, and 25 crore for Mini types of clusters.
- Implementing Agency: National Horticulture Board (NHB)

**Objective:** CDP aims to improve exports of targeted crops by about 20% and create cluster-specific brands to enhance the competitiveness of cluster crops.

#### Salient Fatures

- Beneficiaries: All stakeholders in value chain including farmers/producers, traders, aggregators, etc.
- Coverage of CDP: Develop existing and potential clusters, classified as Mega, Midi, or Mini based on
- area.
- Programme Implementation
   Structure
  - National Horticulture Board (NHB): Provides funds and oversees implementation.
  - Cluster Development Agency (CDA): Appointed by State/Central Government for each identified cluster to implement the CDP.
  - Cluster Development Cell (CDC): A dedicated team within
     CDA to ensure smooth implementation.

Cluster Development Programme 🏾 🦻			
Mega Cluster	🍣 🖗 Midi 🖉 Cluster	Mini Cluster	
<b>Area:</b> More than 15,000 Ha	<b>More than</b> <b>Area:</b> 5,000 Ha to 15,000 Ha	<b>Area:</b> Up to 5,000 Ha	
Financial Assistance: Up to Rs 100 Crore	<b>Financial</b> <b>Assistance:</b> Up to Rs 50 Crore	Financial Assistance: Up to Rs 25 Crore	

• Implementing Agencies (IAs): Selected transparently via Call for Proposals for different cluster verticals.

#### • Key Interventions under CDP

- **Pre-production & Production:** Capacity-building, planting material, crop-care practices, and farm mechanisation until harvest.
- **Post-harvest Management & Value Addition:** Focus on handling, storage, value addition, and packaging at the cluster level.
- **Logistics, Marketing & Branding:** Ensures efficient logistics, market linkage, cluster branding, and outreach for domestic/export markets.
- **CDP SURAKSHA:** For instant disbursal of subsidies to farmers in their bank account by utilising the e-RUPI voucher from the NPCI.

#### **1.4. DIGITAL AGRICULTURE MISSION (DAM)**

#### **Quick Facts**

- **Purpose:** Build a **digital agriculture ecosystem** with innovative solutions and timely, reliable crop and farmer information.
- Type: Central Sector Scheme except components of Support to states/ UTs (Centrally Sponsored)
- Intended beneficiary: Farmers
- Tenure: 5 Years (FY 2021-22 to FY 2025-26)

#### Objective

- Build a farmer-focused digital ecosystem to enhance transparency in the government programs.
- Aid government in informed decision-making.
- To promote **public and private innovation** and partnerships in Agri-tech.

Digital mapping of entire villages

Precise geographical positioning

Comprehensive spatial data

AgriStack: Kisan Ki Pehchaan

Digital Transformation of Farmer Identity

Geo-referenced Village Maps

#### Salient Features

#### Background:

- The National e-Governance Plan in Agriculture (NeGPA) began in 2010-11 to provide timely agricultural information using ICT and updated in 2020-21 to adopt digital technologies.
- The DAM now supports initiatives like Digital Public Infrastructure, Crop Estimation, and IT projects by governments and institutions.

#### Programmes and schemes under DAM:

- **Agristack:** A digital public good like "Aadhar" for efficient farmer services. Built with Central, State, and UT collaboration in a federated system. Includes three key agriculture registries/ databases (refer to the infographic).
- Krishi Decision Support System:
  - Integrates geospatial and non-geospatial data for satellite, weather, soil, crops, and government schemes.
  - Supports crop mapping, diversification, and insurance claims, aligned with the National Geo-Spatial Policy.
- <u>Nationwide Soil Resource Mapping project:</u>
  - Initiate by Soil and Land Use Survey of India (SLUSI), it uses high-resolution satellite and ground data to map village- level soils at a 1:10,000 scale.
  - Creates detailed soil profiles and standardized maps for sustainable agriculture and better land and crop planning.
- Digital General Crop Estimation Survey (DGCES): To Automate the General Crop Estimation Survey

Accurate Land Measurement Village Level Classification Farmers' Registry Unique digital identity (Farmer ID) •= Similar to Aadhaar structure <u>•</u>:= Linked to state land records •== Comprehensive demographic info Consolidated family details **Crop Sown Registry** Mobile-based Digital Crop Surveys Real-time seasonal crop recording Dynamic agricultural data tracking Comprehensive crop cultivation insights Enables precise agricultural planning Empowering Farmers Through Digital Innovation **Krishi Decision Support System** Geospatial data and 7 01 Weather/satellite data Drought/flood monitoring R 02 Groundwater/water availability data. ۵ 🥋 Modelling for 03 

Ŵ

(GCES) process, from state-level planning to field data recording of Crop Cutting Experiments and report generation.

04

• IT Initiatives Support: Includes IT Initiative support to States and Other Organizations under the Mission, Support for IT-related activities of DA&FW.

crop yield

and insurance

- Support to Mahalanobis National Crop Forecasting Centre (MNCFC): Estimates crop acreage and production under FASAL and assesses horticulture crops.
  - Aids drought monitoring, weather tracking, and geospatial training for states.
  - **Technical partner for PMFBY**, assisting in area analysis, smart sampling, and yield dispute resolution.

#### **1.5. NATIONAL MISSION ON NATURAL FARMING**

#### **Quick Facts**

- **Purpose:** To strengthen agriculture practices with scientifically backed approaches towards sustainability, climate resilience and safe food
- Type: Centrally Sponsored Scheme
- **Coverage:** selected 15,000 Clusters across the identified districts from the priority areas reaching 7.5 Lakh Ha area
- Knowledge Partner: National Institute of Agricultural Extension Management (MANAGE)

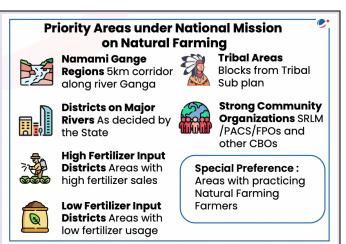

#### Objective

- To **promote nature based sustainable systems of farming**, enhancing usage of on-farm made natural farming bio-inputs
- To **popularize livestock** (preferably local breed of cow) integrated agriculture-animal husbandry models.
- To strengthen <u>on-farm agroecological research and knowledge based extension capacities</u> of ICAR institutions, KVKs, etc.
- To create and promote a **single national brand** for naturally grown chemical-free produce.

#### **Salient Features**

#### Implementation Approach

- **Farmer-to-Farmer Model:** Peer-led transition to natural farming.
- Agri-Infrastructure: Includes Bio-Input Resource Centers (BRCs), seed banks, small farm tools, and local markets.
- **Market Systems:** Farmers' markets and food processing for value addition.
- Training & Research
  - Training Ecosystem: On-field training by KVKs, agricultural universities, and local NF institutions on NF practices like Beejamrut, Jeevamrut, and Neemastra.
  - Research Support: ICAR, KVKs, and universities to document and study NF methods.
  - Educational Curriculum: Dedicated certificate, diploma, UG, and PG courses on NF.
  - Scaling Up Through Community Involvement
    - **30,000 Krishi Sakhis (Community Resource Persons CRPs):** Women-led CBOs like SHGs, FPOs, and PACS to drive NF adoption.
    - **NF Clusters:** Each cluster starts with 125 willing farmers, who then train six more each, expanding to ~750 farmers per cluster.
    - **Participatory Certification:** Similar to PGS (Participatory Guarantee System) for transitioning farmers.
- **Bio-Input Resource Centers (BRCs):** 10,000 BRCs to supply NF inputs, run by farmers, FPOs, SHGs, KVKs, and Goshalas at the Gram Panchayat level.
- **Output based incentive :** ₹4000/- per acre per year for 2 years (maximum incentive for up to 1 acre per farmer) will be released in installments to the aadhar authenticated bank accounts of trained willing farmers
- Institutional Convergence: Collaboration with NRLM, SRLM, FPOs, PACS, government bodies, CSR, and international institutions for largescale NF adoption.

# **1.6. FORMATION AND PROMOTION OF 10,000 NEW FARMER PRODUCER ORGANIZATIONS (FPOS)**

#### **Quick facts**

- Type: Central Sector Scheme
- Purpose: Leveraging economies of scale and improving market access for members
- **Beneficiaries:** FPO with a minimum farmer-members' size of 300 (in plains) and 100 in (North-Eastern and Hilly areas)
- Implementing Agencies (IAs): 9 IAs will help forming FPOs

Objectives: To form and promote 10,000 new FPOs till 2027-28.

#### Salient features

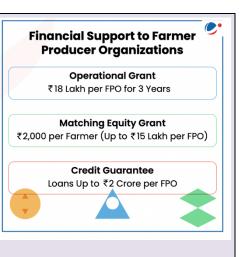

- **FPO Definition**: Includes entities registered under the Companies Act or State Co-operative Societies Act, formed to leverage economies of scale in agricultural production and marketing.
- **Approach:** Focuses on produce cluster areas, commodityspecific strategies, and "One District One Product" for specialization.
- **Price Realization:** FPOs onboarded on e-NAM for transparent trading and better prices.
- **Training:** Institutes like BIRD, Lucknow, and LINAC, Gurugram provide capacity-building programs.
- Institutional Framework:
  - **National Project Management Agency (NPMA):** Guides, monitors, and manages MIS.
  - **District Monitoring Committee (D-MC):** Oversees district-level implementation, led by the District Collector/CEO/Zila Parishad.

#### **1.7. PRADHAN MANTRI KISAN SAMMAN NIDHI SCHEME (PM-KISAN)**

#### Quick facts

- **Purpose:** To supplement the **financial needs of all landholding farmers' families in procuring various inputs** and also **domestic needs**
- Type: Central Sector Scheme
- Beneficiaries: All the landholding farmers, subject to certain exclusions
- Benefits: ₹6,000 per year in three equal instalments of ₹ 2,000 each every four months

**Objective:** To provide **income support to all land-holding eligible farmer families** (families include husband, wife and minor children).

#### Salient features

- **Beneficiary** Identification: State/UT governments are responsible.
- Self-Registration: Available via mobile app, PM-KISAN portal, and Common Service Centers (CSC).
- Land Records Mandatory: Exceptions for forest dwellers, North-Eastern states, and Jharkhand with special land record provisions.
- **Kisan Credit Cards (KCC):** Provided to PMKISAN beneficiaries for short-term loans with a 4% interest on timely repayment.
- **Preventing Fund Misuse:** Includes physical verification of 5% beneficiaries annually, Aadhaar authentication, and Income Tax payee verification.
- **Project Management Unit (PMU):** Central PMU oversees monitoring; states may set up their own PMUs.
  - oversees monitoring; states may set up their own PMUs. **Grievance Redressal:** Complaints should be resolved within two weeks by the Grievance Redressal Committee.
- **Exclusion:** Higher economic status beneficiaries are ineligible.

#### 1.8. PRADHAN MANTRI FASAL BIMA YOJANA (PMFBY)

#### **Quick Facts**

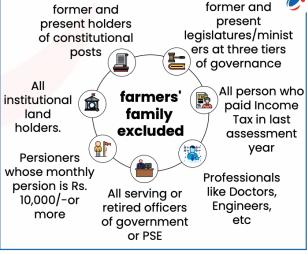

- Purpose: Comprehensive crop insurance from pre-sowing to post-harvest period
- Type: Central Sector Scheme
- Nature: Demand driven scheme and is voluntary for the States as well as farmers
- **Beneficiaries: All farmers** including sharecroppers and tenant farmer growing the notified crops in the notified areas

#### Objectives

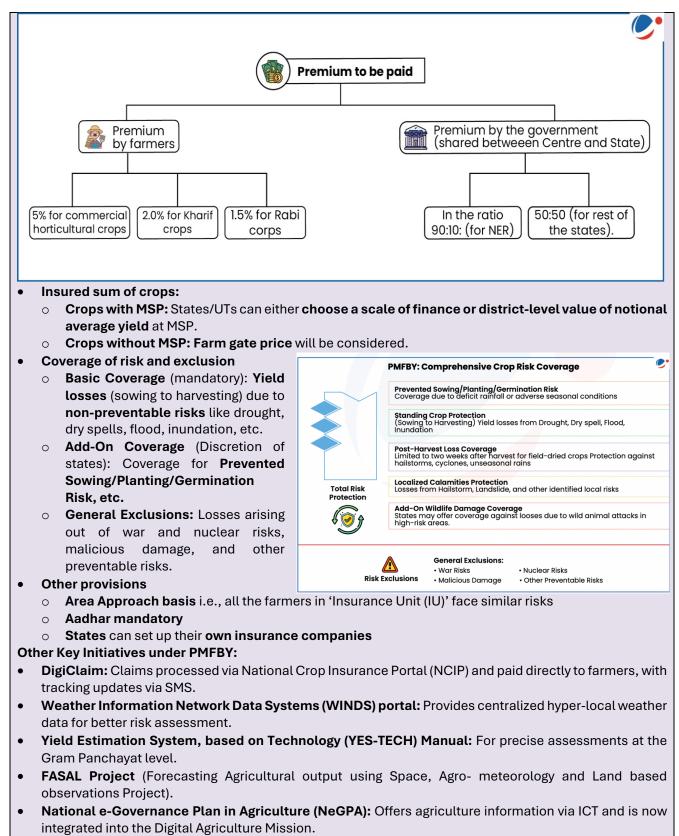

- Financial support to farmers suffering crop loss/ damage, stabilizing their income and ensuring flow of credit to the agriculture sector.
- Adoption of innovative & modern agricultural practices and crop diversification.

#### Salient features

- Background: PMFBY replaced the National Agricultural Insurance Scheme (NAIS) and Modified NAIS.
   o However, the Restructured Weather-Based Crop Insurance Scheme (RWBCIS) is still continued.
  - > RWBCIS **uses weather parameters as "proxy" for crop yields** in compensating the cultivators for deemed crop losses.
- Crops covered for rabi and kharif: All cereals, millets, pulses, and Oilseeds.
- Premium to be paid: Premium is paid as % of the sum assured or Actuarial Premium Rate (APR), whichever is less.
  - **APR** is the premium rate **set by insurance companies.**

- ISRO's Bhuvan: Offers data on plantation, pests, and weather.
- NADAMS (National Agricultural Drought Assessment and Monitoring System)

• **CROPIC** (Collection of Real Time Observations and Photo of Crops)

• **Door to Door enrollment** app AIDE/Sahayak

#### 1.9. PRADHAN MANTRI KISAN MAAN-DHAN YOJANA (PM-KMY)

#### **Quick facts**

- Type: Central Sector Scheme
- Purpose: Old age protection and social security of Small and Marginal Farmers (SMF)
- Eligibility: Land upto 2 ha and age between 18 to 40 years
- Fund manager: Life Insurance Corporation (LIC)

**Objectives:** To provide social security to Small and Marginal Farmers in their old age when they have no means of livelihood and minimal or no savings to take care of their expenses.

#### Salient features

#### • Exclusion

- o All Institutional Land holders
- o Former and present holders of constitutional posts
- Former and present legislatures/ministers at three tiers of governance
- o All Persons who paid Income Tax in last assessment year
- Professionals like Doctors, Engineers, etc.
- All serving or retired officers and government or PSE excluding Multi-Tasking Staff /Class IV/Group D employees
- $\circ$   $\,$  SMF covered under any other statuary social security schemes such as NPS  $\,$
- Benefit
  - Assured pension of Rs. 3000/- month on attaining the age of 60 years.
- Voluntary and Contributory
  - Monthly contribution by farmer ranges between Rs.55 to 200 to the Pension Fund, depending on the age of entry into the Scheme.
  - Matching contribution is made by the Central government.
- Family pension
  - If the subscriber dies, the spouse shall be entitled to receive only 50% of the pension received by subscriber.
- Provisions for disability
  - If the subscriber becomes disabled before attaining the age of 60 years:
    - > Spouse shall be entitled to continue with the scheme subsequently.
    - > **Spouse may exit the Scheme** with the subscriber's share of contribution with savings bank rate of interest or accumulated interest as actually earned by the Pension Fund, **whichever is higher**
- Exit provisions
  - Premature exit
    - > Exit within ten years from the date of joining the Scheme: Subscribers will get his/her the share of contribution with savings bank rate of interest
  - Exit after 10 years from the date of joining but before the age of 60: Subscribers will get his/her the share of contribution with savings bank rate of interest or accumulated interest as actually earned by the Pension Fund, whichever is higher

#### 1.10. NATIONAL MISSION ON EDIBLE OILS – OIL PALM (NMEO-OP)

#### **Quick facts**

• **Type:** Centrally Sponsored Scheme

- Purpose: To reduce dependence on edible oil imports
- Special focus regions: North east and Andaman and Nicobar Islands
- Tenure: Upto 2025-26

**Objectives:** To enhance the edible oilseeds production by harnessing Oil Palm area expansion.

#### Salient features

- Background: The mission was launched in 2021, subsuming oil palm development programme of National Food Security Mission (NFSM- Oil palm programme).
   Palm Oil National Strategy: 2025-26
- Two major focus areas:
  - **Price Assurance:** Fresh Fruit Bunches (FFB) prices, currently linked to international CPO price fluctuations, will now be supported by the Government's Viability Price (VP). VP shields farmers from international price volatility.
  - Increased Assistance: Support for planting material, intercropping inputs (up to 4 years), maintenance, seed gardens, nurseries, and water infrastructure (bore wells, pump sets, etc.).
- Efficient water management: Emphasis has been given to promote micro irrigation and water conservation in oil palm.
- **Current Status of scheme:** Scheme is presently operational in 15 states nationwide, covering a potential area of 21.75 lakh hectares.

#### About Oil Palm

- Oil Palm, originated from West Africa is comparatively a new crop in India and has highest vegetable oil yielding capability per ha.
- It produces two distinct oils, i.e., palm oil and palm kernel oil, which are used for **culinary as well as industrial purposes.** India imports 57% of the total edible oil.
- Domestic supply is **~12.4 million tonnes (MT)** whereas import is ~16.5 MT.

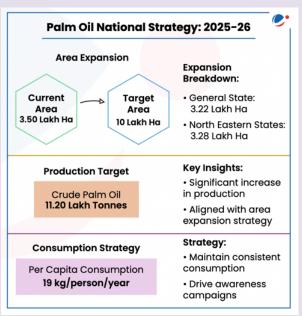

#### 1.11. MISSION FOR INTEGRATED DEVELOPMENT OF HORTICULTURE (MIDH)

#### **Quick facts**

- **Type:** Centrally Sponsored Scheme
- Purpose: Holistic development of horticulture in the country
- Assistance: Financial & technical assistance is provided to States/UTs for key interventions
- Coverage: All the States/UTs are covered

#### **Objectives:**

- Adopt an end-to-end holistic approach covering production, post-harvest management, processing and marketing to assure appropriate returns to growers/producers.
- **Promote R&D technologies** for production, post-harvest management and processing.
- Enhance acreage, coverage, and productivity through diversification (from traditional crops to plantations, orchards, vineyards, etc.) and extension of appropriate technology to farmers.
- Adopt a coordinated approach and promote partnership, convergence and synergy.
- Promote capacity-building and Human Resource Development at all levels.

Enhance horticulture production and productivity, encourage aggregation of farmers and support their skill development.

#### Salient features

- Background: Scheme is being implemented from 2014-15.
- **Crops covered:** Fruits, vegetables, root & tuber crops, mushrooms, spices, flowers, aromatic plants, coconut, cashew, cocoa and bamboo.
- Fund sharing
  - Subsidy is shared between the **Central Government and State Governments in the ratio of 60:40** in all the **states other than North Eastern and Himalayan states, where the pattern of assistance is shared in the ratio of 90:10.**
  - In case of NHB, CDB, CIH, and the National Level Agencies (NLA), the Centre contributes 100%.
- Sub-schemes
  - **National Horticulture Mission (NHM):** To promote holistic growth of horticulture sector through an area based regionally differentiated strategies.
  - Horticulture Mission for North East & Himalayan States (HMNEH): It is a technology mission which focuses on production of quality planting material, organic farming, efficient water management, etc.
  - **National Horticulture Board (NHB):** NHB is implementing various schemes under MIDH in all States and UTs.
  - **Coconut Development Board (CDB):** CDB is implementing various schemes under MIDH in all Coconut growing states in the country.
  - **Central Institute for Horticulture (CIH), Nagaland:** Established for providing technical support through capacity building and training of farmers and Field functionaries in the North Eastern Region.

Monitoring: Executive Committee headed by Secretary (DAC&FW) monitors the progress of Mission.

#### Other initiatives under MIDH

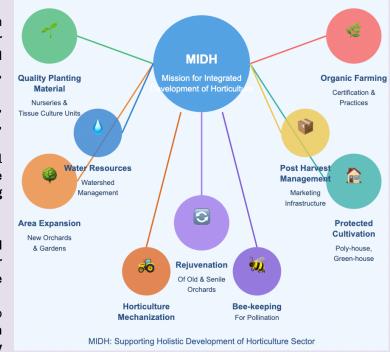

- CHAMAN (Coordinated Horticulture Assessment using Management using geoiNformatics)
  - Area assessment and production forecasting of 7 major horticultural crops in selected districts of major states (12 states, 185 Districts).
  - Key crops include: Mango, Banana, Citrus, Potato, Onion, Chilli & Tomato
  - Use of GIS (Geographical Information System) and remote sensing data for generating action plans.

#### • HORTNET

- HORTNET project is a web enabled work flow-based system for providing financial assistance under MIDH.
- It is a unique intervention to accomplish e-Governance in NHM wherein total transparency

**has been envisaged** in all the processes of workflow i.e., online application filing, authentication, processing and online payment to the beneficiary's bank account through DBT.

#### Major Interventions Financed Under MIDH

#### 1.12. KISAN CREDIT CARD (KCC)

#### **Quick facts**

- Purpose: To meet the financial requirements of farmers at various stages of farming.
- Implementing agency: Commercial Banks, RRBs, Small Finance Banks and Cooperatives.
- Eligibility: Farmers individual/joint borrowers who are owner cultivators; Tenant farmers, oral lessees & share croppers; Self Help Groups (SHGs) or Joint Liability Groups (JLGs) of farmers including tenant farmers, share croppers etc.
- Allied sectors coverage: Animal husbandry and fishery related

#### Objectives

- Adequate and timely credit support from the banking system under a single window with flexible and simplified procedure for:
  - o To meet out the **short term credit requirements** for **cultivation** of crops,
  - Post-harvest expenses,
  - **Produce marketing loan,**
  - o Consumption requirements of Farmer Household,
  - Working Capital for maintenance of farm assets,
  - Investment credit requirement for agriculture and allied activities.

#### Salient features

- Short-term credit
  - $\circ$  Collateral free loan up to Rs. 1.6 lakh
  - o No processing fee
  - Interest Subvention: 3% p.a. interest subvention for prompt borrowers up to Rs. 3.00 lakhs.
  - Premium borne by both the bank and borrower (in 2:1 ratio respectively).
- Long term credit
  - Long term credit limit portion: Investment credit requirement for agriculture and allied activities.
- Risk coverage
  - **Death or permanent disability** resulting from accidents caused by external, violent and visible means to KCC holder.
- Other facilities

#### 1.13. RASHTRIYA KRISHI VIKAS YOJANA (RKVY) CAFETARIA SCHEME

#### Quick facts

- Purpose: Incentivizes States to increase public investment in Agriculture & allied sector
- Type: Centrally Sponsored Scheme
- Coverage: All States / UTs shall be eligible for funding under RKVYRAFTAAR
- Flexibilities to states: States can select projects and programmes under the scheme as per their need priorities and agro-climate requirements.

#### Objectives

- To strengthen the farmers" efforts through creation of required pre and postharvest agri-infrastructure
- To provide autonomy, flexibility to States to plan and execute schemes as per local/ farmers" needs

All Other States

60% Centre,

40% States

- To promote value chain addition linked production models that will help farmers increase their income
- To mitigate risk of farmers with focus on additional income generation activities.
- To attend national priorities through several sub-schemes.
- To empower youth through skill development, innovation and agrientrepreneurship.

#### Salient Features

- Background: RKVY was initiated in 2007 as an umbrella scheme for holistic development of agriculture and allied sectors.
  - In 2017 the RKVY was rechristened into Remunerative Approaches for Agriculture and Allied sector Rejuvenation (RKVY-RAFTAAR).

**NE & Himalayan States** 

90% Centre, 10% States

- Re-structured as RKVY Cafeteria Scheme from 2022-23 onwards merging some schemes of Department of Agriculture & Farmers Welfare.
   Fund Sharing Between Centre and States
- State Level Sanctioning Committee Meeting (SLSC): The funds are released to the State Governments/UTs on the basis of projects approved in the (SLSC) headed by the Chief Secretary of the concerned State.

• Obligations for the states: States are mandated to fulfill certain conditions like

- $\circ \quad \text{no deviation from the components/guidelines}$
- Allocation and monitoring of resources for SC/ST/Women beneficiaries and maintaining database.
- Innovation & Agri-Entrepreneurship programme:
  - **Financial support** is provided to **entrepreneurs in the field of agriculture & allied sector** to set up their startups.
    - Rs. 5.00 lakh is provided at the idea/pre seed stage and Rs. 25 lakh at the seed stage as grantin-aid under the programme.
  - o DA&FW has selected 5 Knowledge Partners (KPs) as Centre of Excellence and 24 RKVYRAFTAAR
  - Agribusiness Incubators (R-ABIs) from across the country to support agri-startups throughout the country.

Major schemes merged under RKVY cafeteria scheme

• Soil Health & Fertility: To promote soil test based Integrated Nutrient Management (INM) through

conjunctive use of chemical fertilizers, organic fertilizers and bio-fertilizers.

- Rainfed Area Development: Aims at promoting Integrated Farming System (IFS) with emphasis on multi cropping, rotational cropping, inter cropping, mix cropping
- Paramparagat Krishi Vikas Yojana (PKVY):
  - Provides end-to-end support to organic farmers i.e. from production to processing certification and marketing by a clusters approach.

UTs-100% Grant

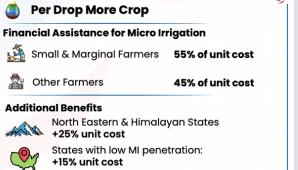

Organic Certification Online PGS Certification via NCONF

Bharatiya Prakritik Krishi Paddhati (BPKP) Initially launched in 8 states Now upscaled as National Mission on Natural Farming Promoting natural farming across India

- The **primary focus** of the scheme is **to form organic clusters** (other than NE states) to help them to create a value and supply chain with robust focus on marketing.
- Per Drop More Crop: Focuses on enhancing water use efficiency at farm level through Micro Irrigation, namely, Drip and Sprinkler Irrigation systems.
- **Agroforestry:** It is the rechristened version of the erstwhile Centrally Sponsored Scheme of Sub-Mission on Agro forestry (SMAF).
  - o Tenure: 2021-22 to 2025-26
  - Special focus: On production of certified Quality Planting Material (QPM).
  - ICAR-Central Agro forestry Research Institute (CAFRI) is the nodal agency for providing technical support, capacity building, setting up of nurseries, production of QPM etc.

- Agriculture Mechanization (including Promotion of Agricultural Mechanization and Management of Crop Residue (CRM).
- **Crop Diversification Programme:** To divert the area of water intensive paddy crop to alternative crops like pulses, oilseeds, coarse cereals, nutri cereals, cotton etc.
- RKVY DPR component
- Accelerator Fund for Agri Startups

#### 1.13.1. SOIL HEALTH CARD SCHEME

#### Quick facts

- **Purpose:** To facilitate farmers for better understanding of soil and Integrated Nutrient Management (INM)
- Subcomponent of: RKVY cafeteria scheme (Soil Health & Fertility componenet)
- Soil Health card (SHC): A printed report card issued to farmers in once in three years indicating the status of his soil in terms of 12 parameters
- SHC Portal: Facilitates facilitate generation of SHCs in a uniform and standardized format.

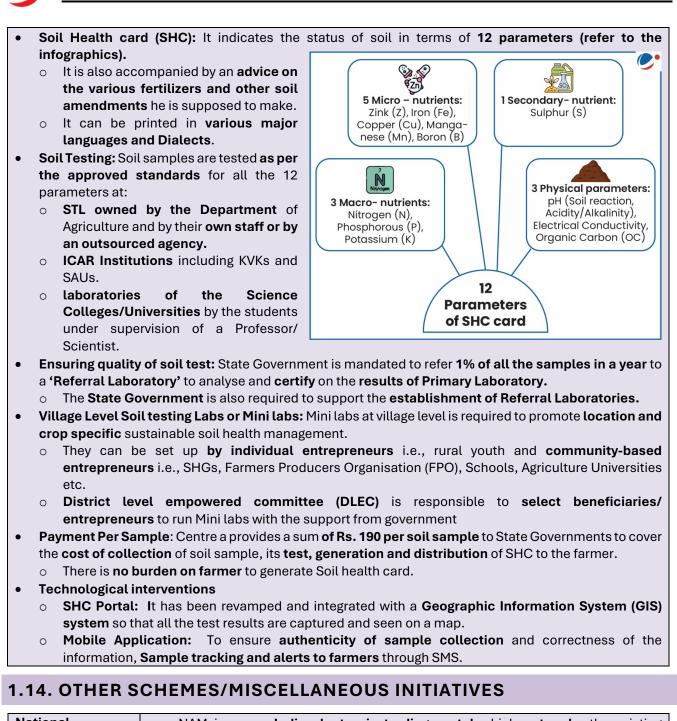

#### Objectives

- To assist State Governments to issue soil health cards to all farmers in the country, so as to provide a basis to address nutrient.
- To develop and promote soil test based nutrient management in the districts for enhancing nutrient use efficiency.
- **To strengthen functioning of Soil Testing Laboratories (STLs) through capacity building,** involvement of agriculture students and effective linkage with Indian Council of Agricultural Research (ICAR).

#### Salient Features

- Background: SHC scheme was launched in 2014-15 as a component of: National Mission for Sustainable Agriculture (NMSA). However, from 2022-23 the scheme is merged in Rashtriya Krishi Vikas Yojana (RKVY) cafeteria scheme.
  - RKVY cafeteria scheme is a **Centrally Sponsored scheme**.
  - It aims at **making farming a remunerative economic activity** through strengthening the farmer's effort, risk mitigation and promoting agri-business entrepreneurship.
  - Integrated development of major food and fodder crops, Agriculture mechanization, enhancement of soil health, Integrated Pest Management schemes, Promoting Extension Services, etc. are

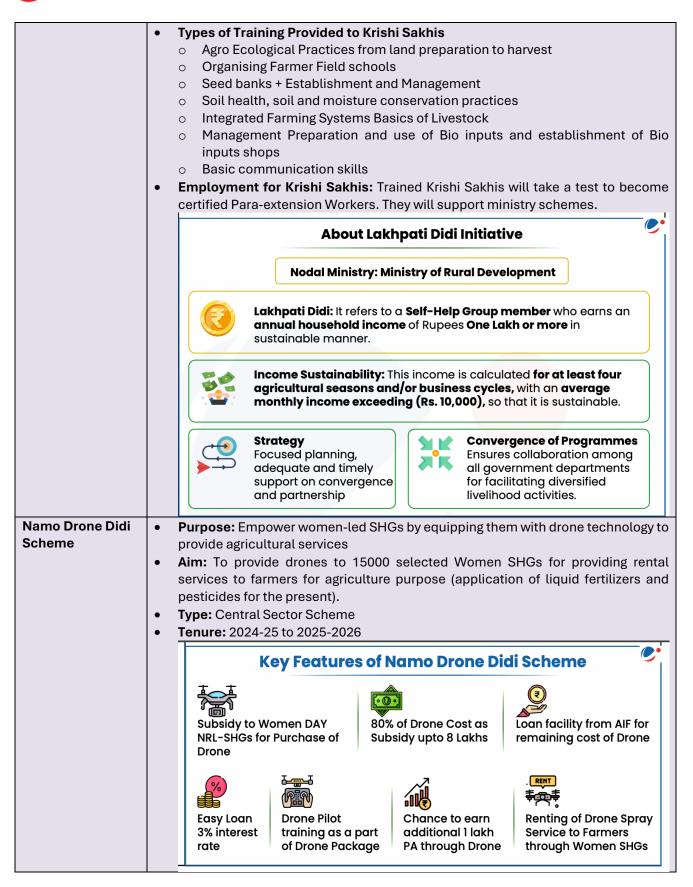

National Agriculture Market (e-NAM)	• eNAM is a pan-India electronic trading portal which networks the existing Agricultural Produce Market Committee (APMC) mandis to create a unified national market for agricultural commodities.
	Type: Central Sector scheme
	Source of funding: Agri-Tech Infrastructure Fund (AITF)
	Nodal Implementing agency: Small Farmers Agribusiness Consortium (SFAC)
	Platform of Platforms (POP):
	o It is an integration of platforms of various service providers.
	• It facilitates farmers to <b>sell the produce outside their state borders.</b>
	Facilitates trade through e-NWR (Negotiable Warehouse Receipt)

Clean Plant Programme (CPP)	• <b>Purpose:</b> Providing farmers with access to virus-free, high-quality planting material.		
	<ul> <li>Aligns with Mission LiFE: The programme aligns with Mission LiFE and th Health initiative, aiming to make India a leading global exporter of fruits.</li> </ul>		
	<ul> <li>Benefits: Enhancing crop yields, improving income opportunities, and ensuring</li> </ul>		
	sustainable agricultural practices.		
	• <b>Beneficiaries:</b> Farmers, Nurseries (Streamlined certification processes and infrastructure support), Consumers etc.		
	KEY FEATURES OF CPP		
	COMPONENTS		
	CLEAN PLANT CENTERS         CERTIFICATION & LEGAL         ENHANCED           9 advanced CPCS         FRAMEWORK         INFRASTRUCTURE           across India for fruits like         Robust certification         Support for large-scale           Grapes, Apples,         system under Seeds Act,         nurseries to develop           Mangoes High-tech labs         1966 Ensures         infrastructure for		
	to produce virus-free planting material traceability in production of material		
	IMPLEMENTATION By National Horticulture Board (NHB) in association with Indian Council of Agricultural Research (ICAR)		
	SUPPORTED BY: Asian Development Bank (ADB)		
Integrated	Type: Central Sector Schemes		
Scheme for Agricultural	• <b>Objectives:</b> To develop agricultural marketing infrastructure for effectively managing marketable surplus of agriculture including horticulture and of allied		
Marketing schemes	sectors		
(AGMARKNET)	• It is a G2C e-governance portal for providing agricultural marketing related information from a single window.		
portal	• It facilitates web- based information flow, of the daily arrivals and prices of		
	commodities in the agricultural produce markets spread across the country.		
	• 5 components under two implementing agencies:		
	<ul> <li>Directorate of Marketing &amp; Inspection or DMI (a division of the ministry)</li> <li>Agricultural Marketing Infrastructure (AMI) a sub scheme of Integrated</li> </ul>		
	Scheme for Agricultural Marketing (ISAM)

	organization) Agri-Business Development (ABD) through Venture Capital Assistance		
	(VCA) and Project Development Facility (PDF)		
	> Choudhary Charan Singh National Institute of Agriculture Marketing		
	(NIAM)		
Krishi Sakhi	• Purpose: Transform rural India through the empowerment of rural Women as		
Convergence	Krishi Sakhi.		
Programme	Background: Under the 'Lakhpati Didi' program, the aim is to create 3 crore     Lakhpati Didia and dimension of utilation in Kristi Califa		
(KSCP)	Lakhpati Didis, one dimension of which is Krishi Sakhi.		
	• <b>Training to Krishi Shakhi:</b> KSCP involves imparting training and certification to Krishi Sakhis as Para-extension Workers.		

National Mission	Type: Centrally Sponsored Scheme
on Agricultural	• Objective: To make the extension system farmer-driven and farmer-
Extension and	accountable by way of <b>new institutional arrangements</b> for technology
Technology	dissemination.
(NMAET)	• It was introduced under the umbrella of Agriculture Technology Management
	Agency (ATMA).
	It involves a judicious mix of
	o extensive physical outreach and interactive methods of information
	dissemination, use of ICT, institution strengthening to promote
	mechanisation, and
	o Encourage aggregation of Farmers into Interest Groups (FIGs) to form Farmer
	Producer Organizations (FPOs).
	Key components
	• Sub Mission on Agricultural Extension (SMAE): It focuses on awareness
	creation and enhanced use of appropriate technologies in agriculture & allied
	sectors
	• Sub Mission on Agricultural Mechanization (SMAM): Financial assistance is
	provided for establishing 'Custom Hiring Centres (CHCs)' and 'Hi-tech Hubs of
	High-Value Machines.
	• Sub Mission on Seed and Planting Material (SMSP): To produce and supply
	quality seeds to farmers through Seed Village Programme, Establishment of
	Seed Processing- cum- Seed Storage Godowns, National Seed Reserve, etc.
	• Sub Mission on Plant Protection and Plant Quarantine (SMPP): Regulatory,
	surveillance and capacity building functions to shield our bio-security from the
	incursion and spread of alien species
Integrated	• Purpose: Provides price assurance to farmers and help control price volatility of
Integrated Pradhan Mantri	• <b>Purpose:</b> Provides price assurance to farmers and help control price volatility of essential commodities.

Farmer FIRST	Launched by: ICAR
(FARM,	• Aim: Enhancing farmer-scientist interface for technology development and
Innovations,	application.
Resources,	• It will be achieved with focus on innovations, technology, feedback, multiple
Science and	stakeholder's participation, multiple realities, multi method approaches, and
Technology)	vulnerability and livelihood interventions.
Agri Udan	Launched by: ICAR-NAARM and IIM-A's incubator centers
	• Aim: To scale-up Food & Agribusiness start-ups through rigorous mentoring &
	training of rural youth, industry networking and Investor pitching.
Mera Gaon Mera	• Aim: to promote the direct interface of scientists with the farmers to hasten the
Gaurav	lab to land process.
	ICAR has identified fifteen villages
	• Scientists of the ICAR and state agricultural universities provide information to
	the farmers of selected villages on technical and other related aspects in a
	time frame.
Agri-Market	• Fund with a corpus of Rs. 2000 crore for developing and upgrading agricultural
Infrastructure Fund (AMIF)	marketing infrastructure in the 22000 Gramin Agricultural Markets (GrAMs) and 585 Agricultural Produce Market Committees (APMCs).
	<ul> <li>In these GrAMs, physical infrastructure is strengthened using MGNREGS and other Government Schemes.</li> </ul>
	<ul> <li>There is also a provision to link GrAMs with e-NAM and exempt them from APMC regulations.</li> </ul>
	<ul> <li>GrAMs are expected to provide farmers facility to make direct sale to</li> </ul>
	consumers and bulk purchasers with <b>National Bank for Agriculture and Rural Development (NABARD).</b>
	<ul> <li>Since it is a demand driven scheme from the States/UTs, there is no State-wise</li> </ul>
	and year-wise allocation of the fund.
	<ul> <li>States may also access AMIF for innovative integrated market infrastructure</li> </ul>
	projects including Hub and Spoke mode and in Public Private Partnership
	mode.
E-Krishi Samvad	• It is an online interface through which farmers and other stakeholders can
	directly approach ICAR (with their problems for effective solutions).
	• They can also upload photographs of crop diseases, animals or fishes for
	diagnostics and remedial measures instantly from the specialists. Appropriate
	solutions from specialists will be provided via SMS or through web.
e-Rashtriya	• It is joint initiative of <b>MSTC Ltd.</b> (a Mini Ratna PSU under the administrative control
Kishan Agri Mandi	of the Ministry of Steel) and Central Railside Warehousing Company.
(e-RAKAM)	• It is an <b>auction platform</b> to help farmers get <b>reasonable price</b> for the produce and
	not fall prey to middlemen.
	• The farmers are paid directly into their bank accounts.
Hortinet – Farmer	It is an integrated traceability system:
Connect App	• <b>Developed by:</b> Agricultural and Processed Food Products Export Development Authority (APEDA)
	• Developed for: facilitating farm registration, testing and certification of Grape,
	<b>Pomegranate and Vegetables</b> for export from India to the <b>European Union</b> in compliance with standards
Meghdoot app	• Launched by: Ministry Agriculture in association with the Ministry of Earth
	Sciences

	Developed by:
	<ul> <li>India Meteorological Department</li> </ul>
	<ul> <li>Indian Institute of Tropical Meteorology</li> </ul>
	<ul> <li>Indian Council of Agricultural Research</li> </ul>
	• Function: Provide location, crop and livestock-specific weather-based agro
	advisories to farmers in local languages.
	• The information is not based on real time but updated twice a week.
Pandit Deen Dayal	• Aim: to develop human resource in organic farming, natural farming and cow
Upadhyay Unnat	based economy for environmental sustenance and soil health.
Krishi Shiksha	• Training programmes for the farmers in the field of organic farming, natural
Yojana	farming and other related latest technologies are organized.
(PDDUUKSY)	
Centralized Farm	• Aim: To improve services of farm machinery testing institutions and bringing out
Machinery	transparency in the entire process of testing and evaluation of machines.
Performance	• This portal facilitates manufacturers in applying, communicating and monitoring
Testing Portal	the progress of testing of their machines in a seamless manner.
Horticulture	Scheme: Central Sector Scheme
Cluster	• Aim: To improve exports of targeted crops by about 20% and create cluster-
Development	specific brands to enhance the competitiveness of cluster crops.
Programme	Implementing agency: National Horticulture Board (NHB)

# 2. MINISTRY OF AYUSH

#### 2.1. NATIONAL AYUSH MISSION (NAM)

#### **Quick facts**

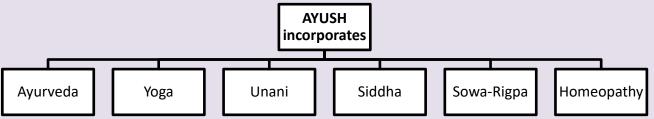

- Type: Centrally Sponsored Scheme
- Purpose: Holistic wellness and "self-care" to reduce the disease burden
- AYUSH: Ayurveda, Yoga & Naturopathy, Unani, Siddha & Sowa-Rigpa and Homoeopathy.
- Tenure: From 2015 to 2025- 2026

#### **Objectives:**

- Cost effective Ayush Services and support to cultivation of medicinal plants
- Setting up of clusters and development of infrastructure for entrepreneurs
- To establish a holistic wellness model through AYUSH Health and Wellness Centres to reduce the out of pocket expenditure.
- To provide informed choice to the needy public through co-location of AYUSH facilities at PHCs, CHCs and DHs resulting in medical pluralism.
- To emphasize the **role of AYUSH in Public Health** as per NHP 2017.

#### Salient features

• **Ayush**: It is an integral part of India's rich cultural and healthcare heritage. These systems offer unique perspectives on health and well-being, drawing from ancient wisdom and practices.

• **Background:** Before the launch of NAM in 2014, initiatives to promote Ayush were integrated with the National Rural Health Mission (NRHM).

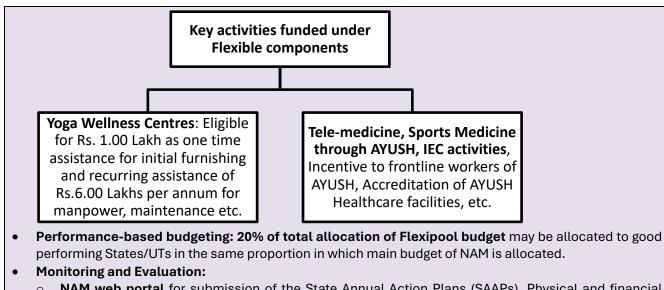

#### • Mandatory Components:

- **AYUSH Services:** Providing cost effective AYUSH Services by
  - > upgrading AYUSH Hospitals and Dispensaries,
  - colocation of AYUSH facilities at Primary Health Centres (PHCs), Community Health Centres (CHCs), District Hospitals (DHs), and
  - > setting up of 10 bedded/ 30 bedded/ 50 bedded Integrated AYUSH Hospitals,
  - > Operationalizing a **network of AYUSH Health & Wellness Centres** to provide services based on holistic wellness model embedded in AYUSH principles.
    - ✓ 12,500 AYUSH Health and Wellness Centres (now named as Ayushman Arogya Mandir) component of AYUSHMAN BHARAT will be implemented through NAM for a period of 5 years upto 2023-24.

#### • AYUSH Educational Institutions:

- > To upgrade Government/Government Aided AYUSH UG as well as PG Educational Institutions.
- > To provide **financial assistance to the states for establishment of new AYUSH colleges** in the States where availability of AYUSH teaching institutions is inadequate in Government Sector,
- **Flexible Component:** Out of the total State envelop available, **25% of funds will be earmarked for flexible funds.**

- **NAM web portal** for submission of the State Annual Action Plans (SAAPs), Physical and financial progress reports of approved activities, submission of UCs, etc.
- States/UTs are required to report the **physical and financial progress** on monthly, quarterly and yearly basis to the Ministry of Ayush.

#### 2.2. OTHER SCHEMES/INTIATIVES

Scheme for promoting pharmacovigilance of AYUSH drugs	<ul> <li>Aim: Documentation of adverse effects and monitoring of safety and surveillance of misleading advertisements of of AYUSH drugs.</li> <li>Type: Central Sector Scheme</li> <li>Facilitate the establishment of three-tier network of Pharmacovigilance Centre (PvCC) at national, intermediary, and peripheral level.</li> <li>All India Institute of Ayurveda, New Delhi, an autonomous body under the Ministry of AYUSH, has been designated as NPvCC.</li> </ul>
National AYUSH Grid Project	<ul> <li>Aim: Digitisation of service delivery across the six functional areas.</li> <li>Ayush Grid follows relevant design principles of         <ul> <li>India Enterprise Architecture (IndEA) 2.0</li> <li>Ayushman Bharat Digital Mission (ABDM)</li> <li>National Digital Health Blueprint (NDHB)</li> </ul> </li> </ul>
	<ul> <li>Key projects undertaken so far:         <ul> <li>Mobile apps: Ayush Sanjivani, Yoga locator</li> <li>Customised IT courses: For Ayush Professionals</li> <li>AYUSH next: For information exchange with career guidance, interactive forum, quizzes, etc.</li> </ul> </li> </ul>

Ayush Clinical	• Aim: To portray the strengths of AYUSH systems for treatment of various disease
Case Repository	conditions.
(CCR) portal	• It is a portal to support both AYUSH practitioners and the public.
	• This portal facilitates posting of success stories/successfully treated cases by
	Ayush practitioners.

# "You are as strong as your Foundation" **FOUNDATION COURSE GENERAL STUDIES**

# **PRELIMS CUM MAINS**

# 2026, 2027 & 2028

- Includes comprehensive coverage of all topics for all the four papers of GS Mains, GS Prelims, CSAT and Essay
- Include All India GS Mains, Prelims, CSAT and Essay Test Series 2026
- Comprehensive Current Affairs classes 2026 (Online Only): Monthly Current Affairs classes (MCAR), Mains 365 & PT365
- Access to Sandhan Personalized Test Series with extensive collection of 20000 plus questions.
- Personalised Mentors for assessing performance of the students regularly
- Continuous Assessment: Daily assignment & weekly Mini Tests
- Access to Live as well as Recorded classes on your personal online Student Platform
- Includes Comprehensive, relevant and updated Study material
- Includes Personality Development Programme
- Duration: 12 months and 15 months (With Pre Foundation Program)
- Duration of each class: 3-4 hrs, 5-6 days a week (If need arises, classes can be held on Sundays also)

Scan QR code for instant personalized mentoring

Live - online / Offline Classes

\*: Pre-foundation classes are designed to provide a strong foundation in core UPSC CSE subjects, utilizing NCERTs and basic textbooks. They serve as the initial step in the comprehensive preparation journey for the UPSC Civil Services Examination by providing conceptual clarity in core GS subjects such as History, Polity, Geography, Economy, and Environment. Further, Pre-Foundation Classes act as a transition platform toward the VisionIAS Regular Foundation Course Program, 2026.

### **3. MINISTRY OF CHEMICALS & FERTILIZERS**

#### **3.1. NUTRIENT BASED SUBSIDY (NBS) SCHEME**

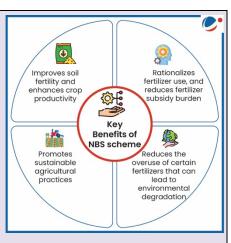

#### **Quick facts**

- **Purpose:** To provide fertilizers to the farmers at the subsidized prices.
- Type: Central Sector scheme
- Inter- Ministerial Committee (IMC): Recommends per nutrient subsidy for 'N', 'P', 'K' and 'S' before the start of the financial year.
- Freight concession: In addition to NBS, freight for the movement and distribution of the decontrolled fertilizers by rail and road is also provided

**Objectives:** Ensuring **Nation's food security**, improving **agricultural productivity** and ensuring the **balanced application of fertilizers**.

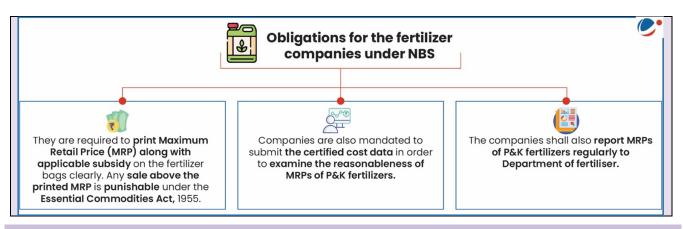

#### Salient features

- Background: In 1992, Centre deregulated Phosphatic and Potassic (P&K) fertilizers, causing their prices to surge.
  - Consequently, farmers tended to overuse Nitrogen (N), whose price was still controlled. This created imbalance in soil nutrients (N, P, and K) leading to reduced soil productivity.
  - To address this, the Department of Agriculture & Cooperation introduced the Concession Scheme for decontrolled P&K fertilizers on an ad-hoc basis (from 1992 to 2010).
  - $\circ$   $\:$  In 2010, the Government introduced NBS scheme.
- **NBS meaning:** Instead of providing subsidies on fertilizers as a whole, **subsidy** is provided based on the **contents of the nutrients** like nitrogen, phosphorus, potash, and sulphur, which are critical for plant growth.

- NBS subsidy payment
  - An Inter- Ministerial Committee (IMC) recommends subsidy before the start of the financial year.
  - NBS is paid annually on each nutrient namely, 'N', 'P', 'K' and 'S' based on the recommendation of IMC.
  - The IMC also recommends a per tonne additional subsidy on fortified subsidized fertilizers carrying secondary (other than 'S') and micro-nutrients.
- Subsidy for customized fertilizers: Manufacturers of customized fertilizers and mixture fertilizers are eligible to source subsidized fertilizers from the manufacturers/ importers.
  - $\circ$   $\;$  There is no separate subsidy on sale of customized fertilizers and mixture fertilizers.
- **Direct Benefit Transfer (DBT):** Subsidy is transferred to fertilizer companies through DBT, which is then passed on to farmers through reduced retail prices.
- Integrated Fertilizer Monitoring System (iFMS): It captures end to end details of Fertilizer in terms of Production, Movement, availability, requirement, Sale, Subsidy Bill Generation to Subsidy payment to fertilizer companies.

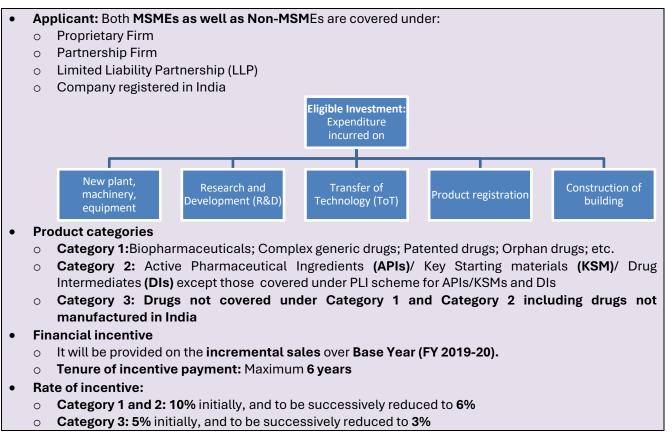

#### **3.2. PRODUCTION LINKED INCENTIVE (PLI) SCHEME FOR PHARMACEUTICALS**

#### **Quick facts**

- Type: Central Sector Scheme
- Purpose: To enhance India's manufacturing capabilities in the pharmaceutical sector
- Project Management Agency: Small Industries Development Bank of India (SIDBI)
- Tenure: FY 2020-21 to FY 2028-29

Objectives: To create global champions out of India and thereby penetrate the global value chains.

#### Salient features

#### 3.3. PLI SCHEME FOR PROMOTION OF DOMESTIC MANUFACTURING OF CRITICAL KEY STARTING MATERIALS (KSMS), (DRUG INTERMEDIATES) DIS AND (ACTIVE PHARMACEUTICAL INGREDIENTS) APIS

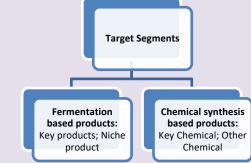

#### **Quick facts**

- Type: Central Sector Scheme
- Purpose: To attain self-reliance and reduce import dependence of critical KSMs/DIs/APIs
- Project Management Agency: Industrial Finance Corporation of India (IFCI) Ltd
- Tenure: FY 2020-21 to FY 2029-30

**Objectives:** To **boost domestic manufacturing of identified KSMs, DIs and APIs** by attracting large investments in the sector and reducing India's dependence on import of key APIs.

#### Salient features

- Bulk Drug or API: It is the chemical molecule in a pharmaceutical product that lends the product the claimed therapeutic effect. Example, penicillin.
  - India imports around **70% of total imports** of bulk drugs from **China.**
- Scope: Setting up of green field plants with minimum domestic value addition of 90% in four different target Segments.
- **Eligible Investment:** Expenditure incurred on new plant, machinery, equipment; Research and Development (R&D); Transfer of Technology (ToT); Product registration; Construction of building.
- Product categories: 41 products in four categories which cover all the identified 53 APIs.

#### • Financial incentive

- o It will be provided on the incremental sales over Base Year (FY 2019-20).
- Tenure of incentive payment: Maximum 6 years
- Rate of incentive:
  - > For fermentation based products: 20% and initially, and to be successively reduced 5%.
- For chemical synthesis based products: **10%.**

# 3.4. PLI SCHEME FOR PROMOTION OF DOMESTIC MANUFACTURING OF MEDICAL DEVICES

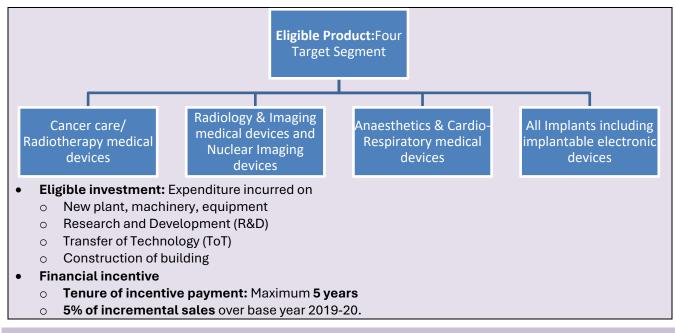

#### Quick facts

- Type: Central Sector Scheme
- **Purpose:** To ensure a level playing field for the domestic manufacturers of medical devices
- Applicant: Any company registered in India committed for investment in a Greenfield Project
- Tenure: FY 2020-21 to FY 2027-28

**Objectives:** To boost domestic manufacturing, attract large investment in the Medical Device Sector.

#### Salient features

#### **3.5. STRENGTHENING PHARMACEUTICALS INDUSTRY (SPI)**

#### **Quick facts**

- Purpose: To make India a global leader in Pharma Sector
- Project Management Consultant: SIDBI (Small Industries Development Bank of India)
- Tenure: FY 21-22 to FY 25-26
- Approval of projects: By Scheme Steering Committee (SSC) chaired by the Secretary, DoP

#### Objectives

- Strengthen pharma cluster infrastructure with financial assistance for common facilities.
- Upgrade production units with subsidies to meet Schedule M and WHO-GMP certification standards.
- **Promote knowledge** in the pharmaceutical and medical devices industry through studies, databases, and collaboration with leaders, academia, and policymakers.

#### Salient features

- Background:
  - o India is the 3rd largest pharmaceutical producer by volume and 14th by value.
  - $\circ$   $\:$  It has the second-highest number of US FDA-approved plants outside the US.
  - **Common Facilities:** Shared facilities like Testing Centers, Training Centers, and R&D Centers.

#### Components of the scheme

- Assistance to Pharmaceutical Industry for Common Facilities (API-CF):
  - o **Objective:** Strengthen the existing pharma clusters by creating shared facilities.
  - **Beneficiaries:** Pharma units forming a Special Purpose Vehicle (SPV) with at least 5 members; Statepromoted pharma clusters.
  - Assistance: Up to 70% of project cost (90% for Himalayan/North-East regions) or ₹20 crore, whichever is less.
- Revamped Pharmaceutical Technology Upgradation Assistance Scheme (RPTUAS):
   Objective: Help pharma units meet Schedule-M & WHO-GMP standards.

- **Eligibility:** Pharma units needing technology upgrades, with preference for MSMEs. **Incentives:** Subsidy on activities like utilities, testing labs, and waste management. Allows integration with state schemes for added benefits.
- **Flexible Financing Options:** Emphasizes on a reimbursement basis subsidy over a traditional creditlinked approach.
- Verification: Managed by a Project Management Agency for accountability.
- Pharmaceutical & Medical Devices Promotion and Development Scheme (PMPDS):
  - **Objective:** Support the growth of the pharmaceutical and medical devices sectors through:
    - > Studies, surveys, and awareness programs,
    - > database creation,
    - > Promotion of industry.

# 3.6. ASSISTANCE TO MEDICAL DEVICE CLUSTERS FOR COMMON FACILITIES (AMD-CF) SCHEME

#### **Quick Facts:**

- Purpose: Promotes self-reliance in manufacturing of medical devices.
- Tenure: 2023-24 to 2026-27
- **Components**: Assistance for Common Facilities and Assistance for Testing Facilities
- Project Management Agency: SIDBI

**Objective**: Strengthen **Medical Device clusters** by providing **financial assistance** and to **strengthen and establish more Testing Laboratories** for Medical Devices.

#### Salient features

#### **Two Components**

- Assistance for Common Facilities: For Creating Common Infrastructure Facilities.
   Incentive
  - > Limit of support will be 70% of the approved project cost or Rs. 20 cr., whichever is less.
  - > For Himalayan and North East Region States, grant-in-aid would be Rs. 20 Crore per Cluster or 90% of the project cost, whichever is less.
  - Special Purpose Vehicle (SPV) to be formed by the Medical Devices manufacturing units in a cluster to execute the project.
    - > There shall be a minimum of **5 Medical Device manufacturing units** as members of SPV.
    - > State Government can also promote a cluster.
  - Individual manufacturing unit cannot hold more than **40% in the SPV. Medical Devices enterprises** shall hold at least **51% equity of the SPV.**
- Assistance for Testing Facilities: To strengthen availability of more Medical Device Testing Laboratories in order to boost manufacturing of quality medical devices.

#### $\circ$ Incentive

- > Limit of support will be 70% of the approved Testing Facilities project cost or Rs. 5 cr., whichever is less.
- For Himalayan and North East Region States, grant-in-aid would be Rs. 5 Crore per Cluster or 90% of the project cost, whichever is less.
- Any National or State level Government or Private institutions interested to establish or strengthen testing facilities for testing of Class A, B, C and D medical devices including in-vitro diagnostic medical devices under MDR, 2017 are eligible.
  - > Such legal entity under the Indian law will open a **separate account for the funds** to be utilized for the projects assisted under the sub-scheme.

#### National Medical Devices Policy, 2023

National Floated Devices Folloy, 2020				
Jusion		Strategy		
Accelerated growth path with a <b>patient-centric approach</b> .	•	Regulatory Streamlining, Enabling		
To emerge as the global leader in the manufacturing and		Infrastructure, Facilitating R&D and		
innovation of medical devices by achieving, 10-12% shares		Innovation, Attracting Investments in		
in the expanding global market over the next 25 years.		the Sector, Human Resources		
• To help the Medical Devices Sector grow from present \$11		Development, Brand Positioning		
Bn to \$50 Bn by 2030.		and Awareness Creation.		

#### 3.7. PRADHAN MANTRI BHARATIYA JAN AUSHADHI PARIYOJANA (PMBJP) SCHEME

#### **Ouick facts**

- Purpose: To provide quality generic medicines at affordable prices to the masses
- Type: Central Sector Schemes •
- Retail outlet: PMBJP Kendra to sell affordable generic medicines to all citizens.
- Implementing Agency: Pharmaceuticals & Medical Devices Bureau of India (PMBI) ٠

#### Objectives

- Expand access to affordable quality generic medicines, reducing out-of-pocket treatment costs.
- Promote awareness that quality doesn't mean high prices through education and publicity. •
- Create employment by supporting entrepreneurs to open PMBJP Kendras. •

#### Salient features

- Background: The 'Jan Aushadhi Scheme' was revamped in 2015 as 'Pradhan Mantri Jan Aushadhi Yojana' • (PMJAY) and renamed PMBJP in 2016.
- Product Basket: Includes Ayurvedic immunity boosters, surgical devices, and medicines for major therapeutic areas like: Cardiovascular, Anti-cancer, Anti-diabetic, Anti-infective, Anti-allergic, etc.
- PMBI: It is set up by pharma PSUs as an independent society under the Societies Registration Act, 1860.
- Strategy for Ensuring Quality under PMBJP:
  - Medicines sourced from WHO-GMP (Good Manufacturing Practices), FSSAI, and CEcertified suppliers.
  - Accredited by NABL (National Accreditation Board for Testing and Calibration Laboratories).
  - Regular quality comparisons with branded 0 medicines.
  - o SAP-based inventory management and forecasting.
  - System of Blacklisting/Debarring Vendors/ Suppliers/ Manufacturers for failure in supply, also penalty is imposed for late delivery.

#### Key Initiatives under the scheme

Jan Aushadhi generic medicines, etc.

Janaushadhi 'Suvidha' • Sanitary Napkins: Affordable at ₹1 per pad. Oxo-biodegradable, supporting "Clean India & Green India."

#### **Incentive Structure** for PMBJP Kendra Owners

#### Monthly Incentive

Rs. 5 Lakh Total Incentive Pool

15% of Monthly Purchases

Maximum Rs. 15,000 per Month (w.e.f. April 2021)

#### **One-Time Special Grant**

Up to Rs. 2 Lakh for Furniture & IT Equipment

- **Eligible Categories:** • Women
  - SC/ST Owners
- Divyang (Persons with Disablities)
  - NITI Aayog notified areas

GOVERNMENT SCHEMES COMPREHENSIVE PART -1

Jan Aushadhi Sugam App: Facilitates locate nearby Jan Aushadhi Kendra through Google map, search

#### **3.8. OTHER SCHEMES/MISCELLANEOUS INITIATIVES**

Promotion of	• Aim: To develop <b>3 mega Bulk Drug parks</b> in India in partnership with States.			
Bulk Drug Parks	Type: Central Sector Scheme			
	• In-principle' approval has been granted to Himachal Pradesh, Gujarat and Andhra			
	Pradesh for setting up bulk drug park.			
	Such parks will provide Common Infrastructure Facilities (CIF)at one place thereb			
	creating a robust ecosystem for manufacturing.			
	• Tenure: From FY 2020-2021 to FY 2024-2025.			
	Financial assistance:			
	<ul> <li>70% of the project cost in Gujarat and Andhra Pradesh assistance</li> </ul>			
	<ul> <li>90% of the project cost in Himachal Pradesh</li> </ul>			
	• Maximum assistance for one Park would be limited to Rs. 1000 crores.			
Promotion of	• Aim: Creation of world class common infrastructure facilities for increased			
Medical Device	competitiveness and optimization of resources and economies of scale.			
Parks	<ul> <li>Type: Central Sector Scheme</li> </ul>			
T UNO				
	Tenure: FY 2020-2021 to FY 2024-2025			
	• Approval for financial assistance has been given to <b>Uttar Pradesh, Tamil Nadu,</b>			
	Madhya Pradesh and Himachal Pradesh for establishing Medical Device Parks.			
	• Such parks will provide Common Infrastructure Facilities (CIF) at one place			
	thereby creating a robust ecosystem for manufacturing.			
	Financial assistance:			
	<ul> <li>70% of the project cost in Uttar Pradesh, Tamil Nadu, Madhya Pradesh</li> </ul>			
	<ul> <li>90% of the project cost in Himachal Pradesh</li> </ul>			
	• Maximum assistance for one Park would be limited to Rs. 100 crores.			
Urea Subsidy	• Aim: To ensure timely and easy availability of urea fertilizers at affordable prices.			
	Type: Central Sector Scheme			
	• Subsidised Urea: Farmers are provided subsidized urea at a statutorily notified			
	Maximum Retail Price (MRP).			
	• Freight cost: Subsidy also incorporates cost of freight movement across the			
	country.			
	• Direct Benefit Transfer (DBT): Only upon the sale getting registered on the e-Urvarak			
	DBT portal a company claim subsidy.			
	• Authentication of beneficiaries: Either Aadhaar or Kisan Credit Card number is			
	mandatory			
PM-PRANAM	PM Programme for Restoration, Awareness Generation, Nourishment and			
	Amelioration of Mother - Earth (PM-PRANAM) was announced in the 2023-24			
	Budget.			
	Key highlights			
	• Goal: To address a pressing issue – the excessive use of chemical fertilizers			
	and pesticides in agriculture.			
	• Objective: To incentivize States/ UTs to promote alternate fertilizers and			
	balanced use of chemical fertilizers.			
	• <b>Tenure:</b> 3 years (FY. 2023-24 to FY 2025-26)			
	• Incentive to state: 50% of the fertilizer subsidy saved by a State/UT in a			
	particular financial year by way of reduction in consumption of chemical			
	fertilizers (Urea, DAP, NPK, MOP) compared to previous 3 years' average			
	consumption, will be passed on to that State/UT as Grant.			

New Schemes	Key initiatives under the scheme include
of	• Setting up of <b>dedicated Plastic Parks</b> in the field of petrochemicals and setting up of
Petrochemicals	Centres of Excellence (CoE) in Polymer Technology.
(NPS)	• Chemical Promotion and Development Scheme (CPDS) will be subsumed under the NPS from FY 2023-24.
	<ul> <li>The scheme envisages creating awareness and dissemination of information for promotion and development of chemical and petrochemical industry.</li> </ul>
Pharma Jan	• A web enabled system for redressal of consumers' grievances relating to pricing
Samadhan	and availability of medicines.
	• Facilitates effective implementation of the Drugs (Price Control) Order 2013.
'Pharma	• It shows the MRP fixed by National Pharmaceutical Pricing Authority (NPPA) for
SahiDaam'	various <b>scheduled drugs on real time basis.</b>
Mobile App

# 4. MINISTRY OF CIVIL AVIATION

# 4.1. UDE DESH KA AAM NAAGRIK (UDAN)/REGIONAL CONNECTIVITY SCHEME (RCS)

#### **Quick facts**

- **Purpose:** To enable **air operations on underserved / unserved routes**, promote **balanced regional growth** and make **flying affordable for masses**
- **Type:** Central Sector Scheme
- Support to airlines: In the form of Concessions and Viability Gap Funding (VGF)
- Implementing Agency: The Airports Authority of India (AAI).

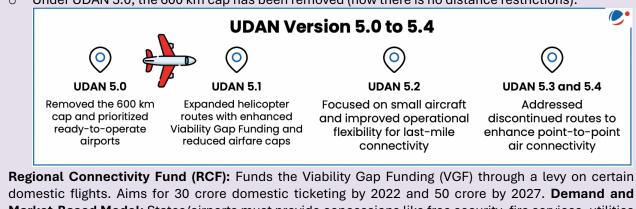

## **Objective:**

•

The scheme focuses on **improving unserved air routes in underserved regions** of the country and fulfilling the aspirations of the common citizens.

#### Salient features

- **Background**: Launched under the National Civil Aviation Policy (NCAP) of 2016 to improve regional connectivity via fiscal support and infrastructure development.
  - Subsidized Seats: Example: Under UDAN 5.3, airfare is capped at ₹3828 for distances of 501–525 km.
     Onder UDAN 5.0, the 600 km cap has been removed (now there is no distance restrictions).

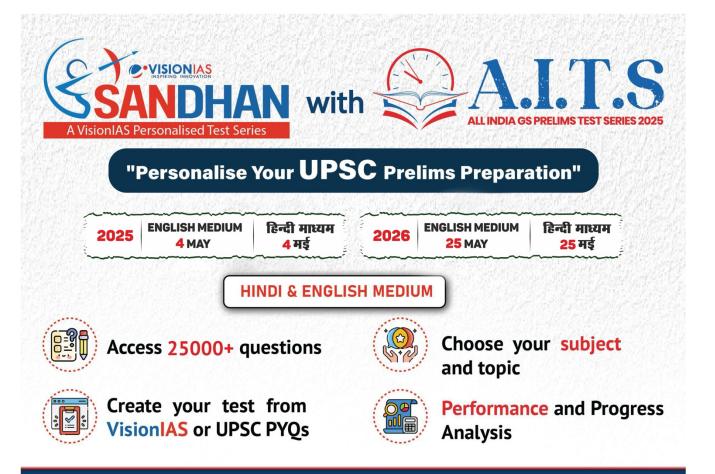

- domestic flights. Aims for 30 crore domestic ticketing by 2022 and 50 crore by 2027. **Demand and Market-Based Model:** States/airports must provide concessions like free security, fire services, utilities at reduced rates, and land for RCS airports.
- Focused Area: UDAN 4.0 prioritizes connectivity with North-East, hilly states, and islands with helicopters and seaplanes.
- Key Initiatives under UDAN
  - **Krishi UDAN:** Supports farmers in transporting agricultural products to boost value realization, focusing on the North-East and tribal districts.
  - International Air Connectivity Scheme (IACS): Helps states establish international airport connectivity in response to their requests.

# **4.2. OTHER SCHEMES/INITIATIVES**

Digi YATRA project	<ul> <li>It facilitates paperless travel and avoids identity checks at multiple points in an airport.</li> <li>Each passenger would get a unique Digi Yatra ID.</li> <li>It is voluntary in nature.</li> <li>Digi Yatra Foundation (DYF) has been set up as a joint venture company for creating the Digi Yatra Central Ecosystem.</li> </ul>
NABH (Nextgen	• Aim: to establish about 100 airports in 10-15 years
Airports for Bharat)	• <b>PPP:</b> A large percentage of the investment is to come from the private sector.

# **5. MINISTRY OF COAL**

# **5.1. OTHER SCHEMES/INITIATIVES**

SHAKTI (Scheme for Harnessing and Allocating Koyala Transparently in India) Policy	<ul> <li>Aim: To ensure the availability of coal to all the thermal power Plant in transparent manner and transfer the benefits of linkage coal to the end consumers.</li> <li>Phase out erstwhile Letter of Assurance (LoA)-Fuel Supply Agreement (FSA) regime.</li> <li>Provides for coal linkages or coal allocation through auctions to the power plants which do not have linkage or lack FSAs through coal auctions.</li> <li>Helps the generators to get cheaper coal and thereby reduction in cost of generation.</li> <li>Coal Distribution Policy (NCDP), 2007 governs Coal linkage to the power sector.</li> <li>Key beneficiaries and benefits: o Power companies (assured coal supply)</li> </ul>
	<ul> <li>Consumers (reduced cost of power)</li> <li>Indigenous Coal Sector (reduction in Imported coal)</li> <li>Banking Sector (reduced NPAs)</li> </ul>
UTTAM (Unlocking Transparency by Third Party Assessment of Mined Coal) App	<ul> <li>Developed by the Ministry of Coal and Coal India Limited (CIL).</li> <li>Enables citizens and coal consumers to monitor the process of Third- Party Sampling of coal across CIL subsidiaries.</li> <li>It has interactive map-based view to provide holistic coverage of coal quality across subsidiaries.</li> </ul>
Coal Mine Surveillance and Management System (CMSMS)	<ul> <li>It is a web-based GIS application through which location of sites for unauthorised mining can be detected.</li> <li>The basic platform used in the system is of Ministry of Electronics &amp; Information Technology's (MeiTY) map which provides village level information.</li> </ul>
Khan Prahahri	<ul> <li>It is a tool for reporting any activity taking place related to illegal coal mining like rat hole mining, pilferage, etc.</li> <li>One can upload geo-tagged photographs of the incident along with textual information directly to the system.</li> <li>The identity of the complainant shall not be revealed.</li> </ul>
PRAKASH (Power Rail Koyla Availability through Supply Harmony)	<ul> <li>Aim: Bringing better coordination for coal supplies among all stakeholders viz - Ministry of Power, Ministry of Coal, Coal India, Railways and power utilities.</li> <li>Help in mapping and monitoring entire coal supply chain for power plants, viz:         <ul> <li>Coal Stock at supply end (mines)</li> <li>Coal quantities/ rakes planned</li> <li>Coal quantity in transit and</li> <li>Coal availability at power generating station</li> </ul> </li> </ul>
Exploration of Coal and Lignite scheme	<ul> <li>The Cabinet approved the continuation of the Central Sector Scheme of "Exploration of Coal and Lignite scheme"</li> <li>It will run from 2021-22 to 2025-26.</li> </ul>

•	About Exploration of Coal and Lignite Scheme
	• Exploration for Coal and Lignite is conducted in two broad stages:
	Promotional (Regional) Exploration and Detailed Exploration in
	Non-Coal India Limited blocks.
	o Importance: It proves and gives estimated coal resources
	available in the country which helps in preparing detailed project
	report to start coal mining.
	• The Geological reports prepared through these exploration is <b>used</b>
	for auctioning new coal blocks.

# 6. MINISTRY OF COMMERCE & INDUSTRY

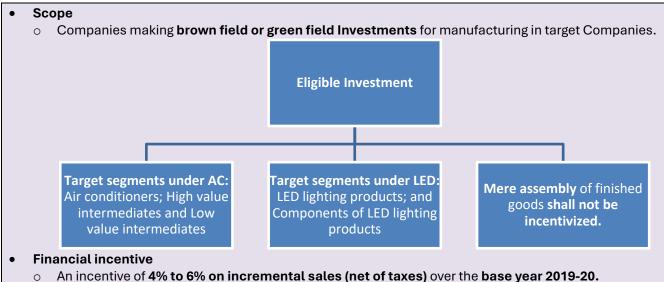

# 6.1. PLI FOR WHITE GOODS (AIR CONDITIONERS AND LED LIGHTS) MANUFACTURERS IN INDIA

#### **Quick facts**

- Type: Central Sector Scheme ٠
- Purpose: To attain self-reliance and reduce import dependence of white goods ٠
- Implementing Agency: Department for Promotion of Industry and Internal Trade (DPIIT)
- Tenure: FY 2021-22 to FY 2028-29 •

Objectives: Boost domestic manufacturing and attract large investments, removing sectoral disabilities, creating economies of scale, enhancing exports in white goods.

#### Salient features

- Tenure of the incentive: 5 years subsequent to the base year and one year of gestation period. 0
- Scheme is Fund Limited i.e. the total pay-out of incentives would be capped at the amount approved 0 by Cabinet.
- Monitoring: By the Empowered Group of Secretaries (EGoS) chaired by Cabinet Secretary.

# **6.2. STARTUP INDIA**

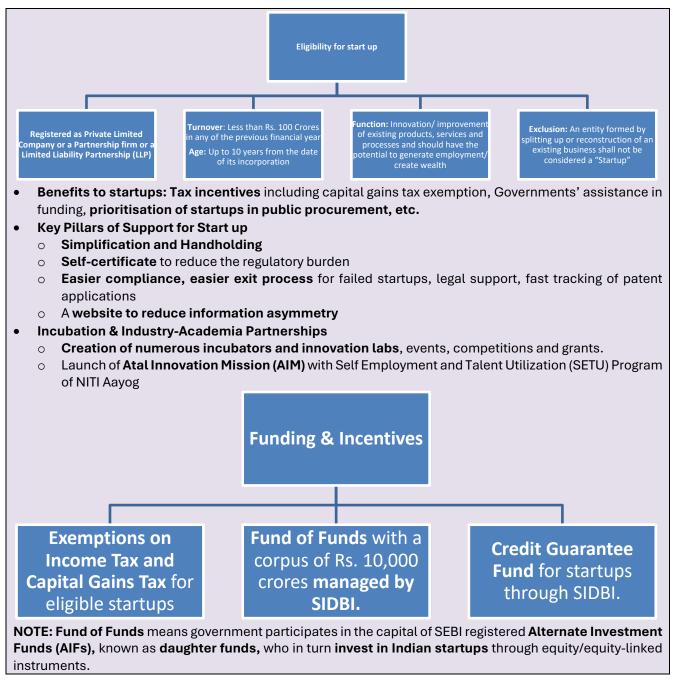

#### **Quick facts**

- Type: Central Sector Scheme
- **Purpose:** Nurturing innovation and startups
- Implementing agency: Department for Promotion of Industry and Internal trade (DPIIT) •
- Exclusion: An entity formed by splitting up or reconstruction of an existing •

Objectives: To catalyse startup culture and build a strong and inclusive ecosystem for innovation and entrepreneurship in India.

# **Salient features**

# 6.3. UTTAR POORVA TRANSFORMATIVE INDUSTRIALIZATION SCHEME (UNNATI), 2024

# **Quick Facts**

- Purpose: to strengthen the Industrial Eco-System in the North East region and attract New Investment
- Type: Central Sector Scheme
- Tenure: Up to 2034 along with 8 years of committed liabilities.

Nodal Agency: North-Eastern Development Financial Corporation Ltd. (NEDFi) for the disbursal of incentives

**Objective:** Create gainful employment to boost socio-economic development.

# Salient Features

- Incentives are provided to support industrial expansion and streamline operations in manufacturing and service sectors. Commencement and Duration of the Scheme
- **Application Period**: Open from notification date to 31.03.2026.
- **Production Deadline:** Units must commence production/operations within 4 years of registration.
- Districts are categorized in two zones:
  - **Zone A:** Industrially Advanced Districts.
  - **Zone B:** Industrially Backward Districts.

Manufacturing - ₹1 Crore in Plant & Machinery

**Eligibility for availing incentives** 

(Minimum Investment)

Services ₹50 lakhs in construction of building & other durable physical assets

Micro industries - ₹50 lakhs for both manufacturing and service sector

Maximum Eligible benefits to a single unit from all components of the scheme: **Rs. 250 Crore** 

• **Earmarking of funds:** 60% of Part A funds reserved for 8 NE states; 40% allocated on a First-In-First-Out (FIFO) basis.

# 6.4. OTHER SCHEMES/INITIATIVES

Startup India Seed Fund Scheme (SISFS)	<ul> <li>Launched in: 2021</li> <li>It provides financial assistance to eligible startups through eligible incubators         <ul> <li>Start-ups can avail up to ₹70 lakh</li> <li>Incubators can avail up to ₹5 crore</li> </ul> </li> <li>Financial assistance is provided for Proof of concept; Prototype development; Product trials; Market entry; and Commercialization</li> </ul>		
	<ul> <li>Eligibility for Startups</li> <li>Recognised by the DPIIT.</li> <li>Not more than 2 years old.</li> <li>Must not have received more than Rs 10 lakh of monetary support (excluding prize money) from the central/ state governments.</li> </ul>	<ul> <li>Eligibility for Incubators</li> <li>A legal entity (a society, a trust, private limited company, or a statutory body).</li> <li>Operational for at least 2 years.</li> </ul>	

	<ul> <li>Preferred sectors: Social impact, waste management, water management, financial inclusion, etc.</li> <li>Benefits: Enables start-ups to raise investments from angel investors or venture</li> </ul>
	capitalists, or seek loans.
One District One Product (ODOP)	<ul> <li>Aim: foster balanced regional development across all districts of country.</li> <li>To select, brand, and promote One Product from each District of country for enabling holistic socio-economic growth across all regions.</li> <li>ODOP was first launched in Utter Pradesh to create product- specific traditional industrial hubs across 75 districts of the state.</li> <li>Recently, digital version of ODOP gift catalogue was launched.</li> </ul>
Scheme for strengthening Medical Devices Industry	<ul> <li>Purpose: To boost India's medical device industry</li> <li>Strategy: Scheme supports manufacturing, skill development, clinical studies, and infrastructure development, reducing import dependency etc.</li> <li>Tenure: 3 years (FY2024-25 to FY 2026-27)</li> <li>NOTE: India is the fourth largest medical devices market in Asia after Japan, China, and South Korea and among the top 20 global medical devices markets in the world world.</li> </ul>
	Sub Schemes
	Common Facilities for Medical Devices Clusters       Marginal Investment Scheme for Reducing Import Dependence         Financial assistance to medical device clusters for creating common infrastructure: R&D labs, Design and Testing Centre, Animal Labs for manufacturers       Support to deepen the MedTech supply chain in the country by focusing on manufacturing key components, raw materials, and accessories         Capacity Building and Skill Development       Medical Device Clinical Studies Support Scheme         Develop a skilled technical workforce capable of designing       Medical Device Clinical Studies and start-ups in conducting
	and developing MedTech products Support to industry associations and exports councils for organizing events that promote medical device-related activities Medical Device Promotion Scheme
Trade Infrastructure for Export Scheme (TIES)	<ul> <li>Type: Central Sector Scheme</li> <li>Aim: Assisting Central and State Government agencies in the creation of appropriate infrastructure for growth of exports.</li> <li>Tenure: FY 2021-22 to FY 2025-26</li> <li>Scope: Up-gradation of infrastructure projects with overwhelming export linkages like the Border Haats, Land customs stations, quality testing, etc.</li> <li>Exclusion: Projects which are covered under sector specific schemes like textiles.</li> <li>Financial assistance: The Central Government assistance for infrastructure creation will be in the form of grant-in-aid subject to a ceiling of Rs 20 Cr for each infrastructure project.</li> </ul>

Ohammian	
Champion	Type: Central Sector Scheme
Services	• Aim: To support initiatives for sectoral Action Plans of the Champion Sectors.
Sector Scheme (CSSS)	• A dedicated fund of Rs. 5000 crores have been approved to support initiatives of the Champion Sectors.
	• It facilitates addressing cross <b>cutting issues including domestic regulatory reforms.</b>
	• <b>5 pillars</b> for identifying new initiatives for the scheme
	• New processes: For improving Ease of Doing Business (EoDB)
	• New infrastructure: For strengthening physical and digital connectivity
	<ul> <li>New sectors: Sectors with untapped potential</li> </ul>
	• New mindset: From issuing/approval authority to partnership in business
	<ul> <li>New standards: For shaping global trade in services</li> </ul>
	12 identified CSS
	<ul> <li>Transport &amp; Logistics Services</li> </ul>
	<ul> <li>Education Services</li> </ul>
	<ul> <li>Financial Services</li> </ul>
	<ul> <li>Environmental Services</li> </ul>
	<ul> <li>Construction and Related Engineering Services</li> </ul>
	<ul> <li>Communication Services</li> </ul>
	o Legal Services
	<ul> <li>Audio Visual Services</li> </ul>
	<ul> <li>Accounting and Finance Services</li> </ul>
	<ul> <li>Information Technology (IT) &amp; IT enabled Services</li> </ul>
	<ul> <li>Tourism &amp; Hospitality Services</li> </ul>
	<ul> <li>Medical Value Travel</li> </ul>
Niryat Bandhu	• It was launched to reach out to the new and potential exporters including exporters
Scheme	from MSMEs and mentor them through orientation programmes, counselling
	sessions, individual facilitation, etc.
National	• Implementing Agency: Intellectual Property Office, the Office of Controller General
Intellectual	of Patents, Designs and Trade Marks (CGPDTM)
Property	• It has achieved target of imparting Intellectual Property (IP) awareness and basic
Awareness	training to 1 million students a month ahead of deadline which was August 2022.
Mission	
(NIPAM)	
National	• <b>Purpose:</b> To develop futuristic industrial cities in India and to cultivate a dynamic
Industrial	industrial ecosystem by attracting investments.
Corridor	Type: Central Sector Scheme
Development	• Corridors and Projects: Programme comprises 32 projects across four phases under
Programme	11 corridors.
(NICDP)	Transportation Backbone:
	<ul> <li>DMIC: Supported by the Western Dedicated Freight Corridor.</li> </ul>
	• <b>AKIC:</b> Backed by the Eastern Dedicated Freight Corridor.
	• Other Corridors: CBIC and BMIC rely on NH-4; ECEC utilizes NH-5 and the
	Kolkata–Chennai rail route.
	• Special Purpose Vehicle: National Industrial Corridor Development Corporation
	(NICDC) under DPIIT to oversee project development and implementation.

'SWAYATT' initiative	• SWAYATT is an initiative to promote <b>Start-ups, Women and Youth Advantage</b> <b>Through eTransactions</b> (SWAYATT) on Government e Marketplace (GeM).			
North-East Industrial Development Scheme (NEIDS)	<ul> <li>Aim: To promote industrialization in NE States and to boost employment and income generation.</li> <li>Sectors covered: Manufacturing and Services</li> <li>Use of Technology: To process and approve proposals and release of payment.</li> <li>Key Benefits under NEIDS         <ul> <li>Central Capital Investment Incentive for access to credit</li> <li>Central Interest Incentive (CII)</li> <li>Central Comprehensive Insurance Incentive (CCII)</li> <li>Income Tax (IT) Reimbursement</li> <li>Goods and Services Tax(GST) Reimbursement</li> <li>Employment Incentive (TI)</li> </ul> </li> </ul>			
Transport and Marketing Assistance (TMA) for specified agriculture products scheme Indian	<ul> <li>Aim: To provide assistance for the international component of freight and marketing of agricultural produce and to promote brand recognition.</li> <li>Expected benefit: Mitigation of disadvantage of higher cost of transportation due to trans-shipment.</li> <li>Coverage: All exporters duly registered with relevant Export Promotion Council.</li> <li>Type: Central Sector Scheme</li> </ul>			
Footwear and Leather Development Programme (IFLDP)	Type: Central Sector Scheme      Tenure: Upto 2026     G key components      Sustainable Technology     and Environmental     Promotion (STEP)     Integrated Development of     Leather Sector (IDLS)     Mega Leather Footwear     and Accessories Cluster     Development of Design     Studios     Studios     Studios     Studios			

Remission of	• RoDTEP aims to reimburse the taxes and duties incurred by exporters such as local
Duties and	taxes, coal cess, mandi tax etc., which are <b>not getting exempted or refunded under</b>
Taxes on	any other existing scheme.
Exported	• It ensures <b>zero rating of exports</b> i.e., taxes and duties should not be exported.
Products	• It replaces erstwhile Merchandise Export from India Scheme (MEIS) and Rebate of
(RoDTEP)	State and Central Taxes and Levies (RoSCTL).
Scheme	• MEIS violated the provisions of WTO by giving export subsidies for a wide range
	of goods.
	• RoSCTL was offered for <b>embedded state and central duties and taxes</b> that are
	not refunded through goods and services tax (GST).
Advance	• Directorate General of Foreign Trade (DGFT) implements Advance Authorisation
Authorisation	Scheme under the Foreign Trade Policy.
Scheme	• Advance Authorisation Scheme allows duty free import of inputs, which are
	physically incorporated in an export product.
	o In addition to any inputs, packaging material, fuel, oil, catalyst which is
	consumed / utilized in the process of production of export product, is also
	allowed.
	• Advance Authorisation covers manufacturer exporters or merchant exporters
	tied to supporting manufacturer(s).

# 7. MINISTRY OF COMMUNICATIONS

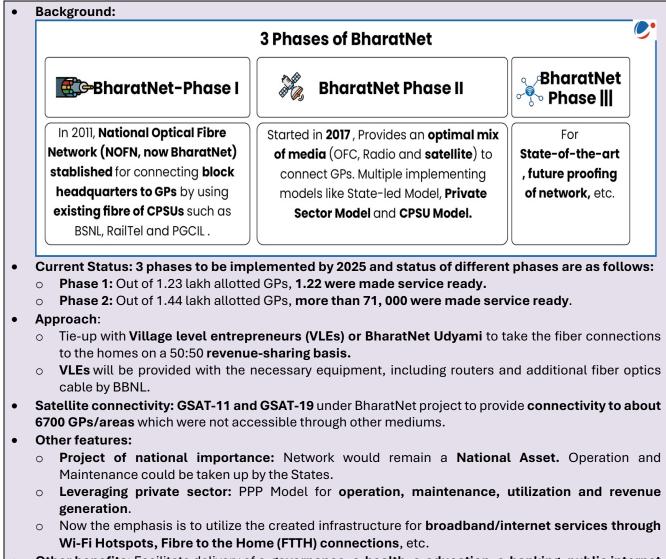

# 7.1. BHARATNET

# **Quick Facts**

- **Purpose:** Providing the last mile connectivity to all Gram Panchayats (GPs) of the country.
- Type: Central Sector Scheme
- Funding: Universal Service Obligation Fund (USOF)
- Implementing Agency: Bharat Broadband Network (Merged into BSNL in 2022)

**Objective:** To provide **100 Mbps bandwidth broadband connectivity to all Gram Panchayats** (approx. 2.6 lakh) in the country to realise the vision of **Digital India.** 

## Salient features

• Other benefits: Facilitate delivery of e-governance, e-health, e-education, e-banking, public internet access, G2C, B2B, P2P, B2C, etc., weather, agricultural and other services to rural India.

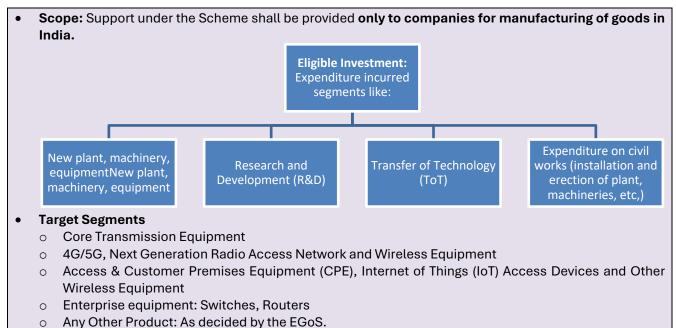

# 7.2. PLI SCHEME FOR PROMOTING TELECOM & NETWORKING PRODUCTS

# **Quick facts**

- Type: Central Sector Scheme
- Purpose: to create a robust domestic value chain in India.
- Implementing agency: Small Industries Development Bank of India (SIDBI)
- Tenure: Investment from 2021 up to Financial Year 2024-2025 only

**Objectives:** Provides financial incentive to boost domestic manufacturing and attract investments in the target segments of telecom and networking products to encourage "Make in India".

## Salient features

- Financial incentive
  - Tenure of incentive payment: Maximum 5 years
  - Rate of incentive: 7%-4% on the incremental sales over Base Year (FY 2019-20) for MSMEs and 6% to 4% over for others.
  - Additional 1% incentive under Design-led PLI for products that are designed and manufactured in India.

# 7.3. OTHER SCHEMES/INITIATIVES

National	• Aim: To enable fast track growth of digital communications infrastructure. It aims to
Broadband	fulfill the three objectives of universality, affordability, and quality of broadband
Mission	services.
	Key components and targets
	• Broadband Connectivity to Villages: Under the BharatNet Project, so far, 1.81 lakh
	GPs have been made Service Ready.
	• Availability of Broadband Speeds (Mbps): To achieve broadband speeds up to 50
	Mbps by 2024-25.
	• Fiberization: Increase Optical Fibre Cable (OFC) up to 50 Lakh Km by 2024-25.

	• Other components: Increase Towers, Fiberization of Telecom Towers/ Base
	Transceiver Station and Mapping of Fiber Cumulative.
	• Funding: It would be funded largely by the industries. Government to contribute 10%
	through the Universal Service Obligation Fund (USOF).
Tarang	It provides information on Mobile Towers and     Easy access to
Sanchar	Electro Magnetic Frequency (EMF) Emission
portal	Compliances.
-	Information could be accessed by paying the Mobile Towers and
	fee radiation (MP) tower of has station
	Emission Clears the Checked for radiation Compliances myths and emission
	on mobile towers and emissions
Sanchar	• It was launched to fulfil vision of safe and secure communication under Digital India
Saathi Portal	programme.
	<ul> <li>Through this portal, people will be able to block, track and check genuineness of a</li> </ul>
	used device before buying them.
	• Portal, developed by Department of Telecom, will enable citizen with following three
	modules:
	• <b>Centralized Equipment Identity Register (CEIR)</b> for tracing/blocking of lost/stolen
	mobile devices.
	• <b>Know Your Mobile</b> to check number of mobile connections taken in a subscriber's
	name.
	• ASTR (Artificial Intelligence and Facial Recognition powered Solution for
	<b>Telecom SIM Subscriber Verification)</b> to identify fraudulent subscribers.
Bharat EMart	<ul> <li>India Post signed an MoU with Confederation of All India Traders (CAIT) and Tripta</li> </ul>
BharacEriarc	Technologies to facilitate operationalisation of Bharat EMart portal.
	<ul> <li>It will provide facility of pick-up of consignments from premises of traders and will</li> </ul>
	ensure delivery at the doorsteps of consignments from premises of traders and with
	<ul> <li>Platform has around 8 crore traders registered under it.</li> </ul>
	<ul> <li>Bharat e-Mart would provide much needed logistics support to small traders which</li> </ul>
	would increase their businesses and also the opportunities for employment.
Central	<ul> <li>Government is set to launch CEIR system across the country.</li> </ul>
Equipment	
Identity	CEIR is the citizen centric portal of Department of Telecommunications for tracing the last (stelen mehile deviace)
Register	the lost/stolen mobile devices.
(CEIR)	• This also facilitates for blocking of lost/stolen mobile devices in network of all
(OLIN)	telecom operators so that lost/stolen devices cannot be used in India.
	To report a lost or stolen smartphone, one needs details like mobile number of SIM     cords installed IMEL (International Mebile Equipment Identity) number, and a mebile
	cards installed, IMEI (International Mobile Equipment Identity) number, and a mobile
DADDAN	purchase invoice.
	• Aim: To improve the quality of service and achieve "financial inclusion" of un-banked
(Digital	rural population.
Advancement	• It intends to provide a low power technology solution to each <b>Branch Postmaster</b>
of Rural Post	(BPM).
Office for A	• DARPAN-PLI App: Launched for seamless collection of premium for Postal Life
New India)	Insurance (PLI) and Rural Postal Life Insurance (RPLI) policies.
Project	
Sampoorna	• Aim: To provide affordable life insurance services to people living in rural areas of the
Bima Gram	country through the postal network.
Yojana	

Deen Dayal SPARSH Yojana Prime Minister Wi-Fi Access	<ul> <li>Households of at least one village (having a minimum of 100 households) in each of the revenue districts are provided with a minimum of one RPLI (Rural Postal Life Insurance) policy.</li> <li>RPLI provides insurance cover to people residing in rural areas, especially weaker sections. Low Premium and High Bonus is the unique feature of PLI and RPLI schemes.</li> <li>All villages under Sansad Adarsh Gram Yojana will be turned into Sampoorna Beema Gram.</li> <li>Aim: To increase the collection and study of postal stamps.</li> <li>Deen Dayal SPARSH (Scholarship for Promotion of Aptitude &amp; Research in Stamps as a Hobby) Yojana awards annual scholarship to children of Standard VI to IX having good academic record and also pursuing Philately as a hobby.</li> <li>Purpose: To set up Public Wi-Fi Networks to accelerate proliferation of Broadband Internet services.</li> </ul>
network Interface (PM-WANI)	Launch: By Department of Telecommunication in 2020.      PM-WANI Scheme     Ecosystem      Dublic Data Office (PDO)     Establishes and     operates     WANI-compliant Wi-Fi     Public Data Office     Aggregator (PDOA)     Angregates PDOs and     manages authorization     and accounting
Sandomi	Central Registry       App Provider         Maintains details of App       Develops apps for user         Providers as per WANI       architecture and         architecture and       specifications         WANI hotspots       WANI hotspots
Sangam: Digital Twin	• <b>Objective:</b> To <b>revolutionize infrastructure planning and design</b> by leveraging cutting- edge technologies like Digital Twin, AI, IoT, and next-gen communication technologies
Initiative	e.g., 5G and 6G. SANGAM: DIGITAL TWIN INITIATIVE
	DIGITAL TWIN TECHNOLOGY         Dynamic virtual representation of physical objects, mimicking         real-world behavior in real-time/near-real-time using sensor data         IMPLEMENTATION STAGES         STAGE I: EXPLORATORY         Introduction to objectives, scope,
	and potential impact <b>STAGE II: REQUIREMENTS</b> Defining precise requirements for selected use cases Al and IoT • Advanced communication (5G/6G) • Reduces overall costs
	COLLABORATIVE APPROACH Unifies government, academia, and private sector Stakeholders to develop innovative, sustainable infrastructure solutions

Telecom	Purpose: To fund R&D in rural-specific communication technology applications and
Technology	form synergies among academia, start-ups, research institutes, and the industry.
Development	• Background: Launched by Universal Service Obligation Fund (USOF), a body under
Fund (TTDF)	Department of Telecommunications in 2022.
Scheme	• Financial Incentive: The scheme entails grants to Indian entities to encourage and
	induct indigenous technologies tailor-made to meet domestic needs.
	• Implementation Agency: TCOE India (Telecom Centres of Excellence India) and C
	DOT.

# 8. MINISTRY OF CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION

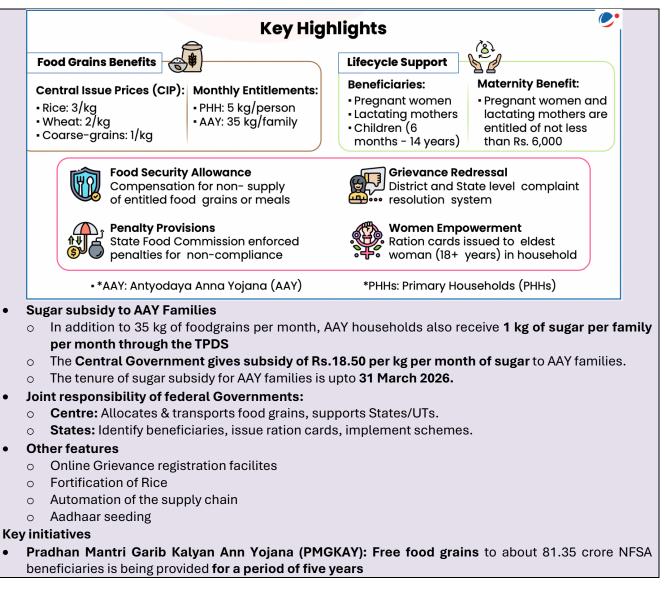

# 8.1. NATIONAL FOOD SECURITY ACT (NFSA), 2013

#### **Quick facts:**

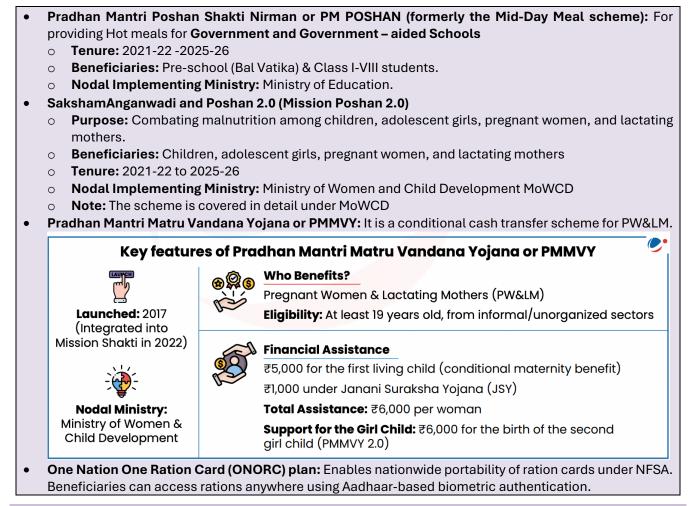

- Purpose: To provide food and nutritional security in human life cycle approach
- Type: Centrally sponsored scheme
- Coverage: 67% of the country's population (75% of the rural and 50% of the urban population)
- Identification of Household: Based on the NSS Household Consumption Survey data for 2011-12

**Objective:** A **legal right** to persons belonging **to "eligible households"** to receive food **grains at subsidised price** (called Central Issue Prices/CIPs) **under the Targeted Public Distribution System (TPDS).** 

## Salient features

# 8.2. OTHER SCHEMES/INITIATIVES

Credit	• Purpose: Provide credit guarantees to Eligible Lending Institutions (ELIs) for pledging
Guarantee	
	finance against e-Negotiable Warehouse Receipts (e-NWRs).
scheme for e-	Type: Central Sector Scheme
NWR based	• e-NWR: e-NWR is a digital document that represents a warehouse's stored goods. It
pledge financing	can be used for trading, financing, and settlement.
(CGS-NPF)	<ul> <li>It is issued by registered warehouses regulated and governed by Warehousing</li> </ul>
	Development and Regulatory Authority (WDRA).
	Eligibility:
	<ul> <li>Agriculture Loans: Up to ₹75 lakh for borrowers under RBI's Priority Sector Lending (PSL) guidelines.</li> </ul>
	<ul> <li>Loans to MSMEs &amp; Farmers: Up to ₹200 lakh for MSMEs, small &amp; marginal farmers, FPOs, and cooperatives under PSL guidelines.</li> </ul>
	• <b>Collateral:</b> Only the goods in e-NWR can be pledged; no additional collateral required.
One Nation One	Type: Central Sector Scheme
Ration Card	• Aim: To implement nation-wide portability of the ration cards issued by the
(ONORC) Plan	States/UTs under the NFSA.

	The scheme was earlier known as Integrated Management of Public Distribution System     ONE NATION, ONE RATION CARD (2/2)     ONE NATION,
	<ul> <li>(IM-PDS).</li> <li>NFSA beneficiaries, particularly migrant beneficiaries, can lift their entitled foodgrains from any ePoS (electronic Point of Sale) enabled Fair Price Shop (FPS) in the country.</li> </ul>
	Benefits could be availed though <b>biometric/Aadhaar authentication</b> using their <b>same/existing ration card</b> issued under NFSA
Price Stabilization Fund (PSF)	<ul> <li>Aim: To tackle price volatility in some agri-horticultural commodities such as onion, potatoes, and pulses.</li> <li>These commodities are procured and stored for regulated release to moderate the prices.</li> <li>The scheme promotes direct purchase from farmers/farmers' association at farm gate/Mandi.</li> <li>The PSF is utilized for granting interest free advance of working capital to Central Agencies, State/UT Governments/Agencies to undertake market intervention operations.</li> </ul>

**NOTE:** A **PSF** is also established under the **Ministry of Commerce & Industry** since 2003 to provide **financial relief to small growers of coffee, tea, rubber and tobacco** having land holdings up to **four hectares.** This financial relief was provided when **prices of these commodities fell below the price spectrum band**

	Culture
	<ul> <li>Scheme For Scholarships To Young Artistes In Different Cultural Fields</li> </ul>
	<ul> <li>Tagore National Fellowship for Cultural Research</li> </ul>
	• Artists Pension Scheme: To provide a pension of Rs.4.000/- p.m. to the old artistes
	and scholars (not less than the age of 60 years and annual income not exceeding
	Rs.48,000/- p.a.) who have contributed significantly in their specialized fields of arts,
	letters etc. but are now living in penury condition
	share of Integrated Goods and Services Tax (IGST) paid on purchase of specific raw
	food items by Charitable/Religious Institutions for distributing free food to public
	shall be reimbursed as Financial Assistance by the Government of India.
	• Scheme for Safeguarding the Intangible Cultural Heritage: For reinvigorating and
	revitalizing various institutions, groups, NGOs, etc. so that they may engage in
	activities/projects for strengthening, protecting, preserving and promoting the rich
	intangible cultural heritage of India.

# **12. MINISTRY OF DEFENCE**

# 12.1. ADITI (ACING DEVELOPMENT OF INNOVATIVE TECHNOLOGIES WITH IDEX)

#### **Quick facts**

- **Purpose:** Develop **around 30 critical deep-tech and strategic technologies** currently lacking in the country
- Components: Grant-in-Aid to ADITI winners and to Partner Incubators (PIs)
- Technologies Covered: Critical technologies essential for national security
- Tenure: FY 2023-2024 to FY 2025-2026

## Objectives

- Indigenisation of critical technologies and reduction of dependencies on foreign OEMs (Original Equipment Manufacturers).
- **Spiral development** within ADITI scheme and also spiral development of products developed under existing iDEX scheme.
- Build "Technology Watch Tool" and conduct technology foresight workshops.

## Salient features

• **Background:** The ADITI Scheme is a sub-scheme under the iDEX framework by the Department of Defence Production (DDP).

#### ADITI challenge:

- **Winners:** Up to two winners per challenge; each applicant can win only one challenge at a time.
- **Scope:** ADITI scheme includes iDEX Prime challenges launched after ADITI Scheme approval.
- **Partner Incubators (PIs):** A network of 10 PIs will be developed to offer specialized support and mentorship.
- Financial Support (Grant-in-Aid)
  - For ADITI Winners: Up to 50% of product development costs, capped at ₹25 Cr per winner.
  - For Partner Incubators:

 Launched in 2018, Driving Defense Innovation Empowering startups, MSMEs to modernize Indian military technology

 Key Initiatives Defence India Startup Challenge (DISC) Open Challenge •Thematic Challenge •ADITI Challenge Funding Opportunities Grants up to 1.5 Cr (₹10 Cr under IDEX Prime) Supporting projects through SPARK Framework

 Management Managed by Defence Innovation Organization (DIO), founded by HAL and BEL

IDEX

Innovating Defense Ecosystem

Overview

- > Milestone Payments: ₹1.5 lakh per milestone (6 milestones total) based on facilitation/completion for associated challenge winners
- > Activity-Based Support: Funds for building defense startup pipelines, providing mentorship, and ecosystem outreach.
- **Monitoring:** The grant utilization and progress will be monitored by the Defence Innovation Organisation (DIO) through PIs.

# **Eligibility for ADITI Challenge**

- Startups: Recognized by the Department for Promotion of Industry and Internal Trade (DPIIT).
- Indian Companies: Registered under Companies Act 1956/2013, primarily MSMEs as per MSME Act, 2006.
- Individual Innovators: Includes researchers and academics registered as startups/MSMEs.
- Eligibility for iDEX Partner Incubators (PIs)
  - **Grants Legal Status:** Must be a registered legal entity in public, private, or public-private partnership mode, with Government of India grant support (ongoing or received).
  - Experience:

- > At least 5 years of operation.
- > Incubated/funded 10+ defense related startups.
- > Incubated at least 5 startups in the last 3 years that are still operational.
- > Managed 2+ sector-focused accelerator programs in the last 5 years (e.g., Deep Tech, Defense, AI/ML, Cyber).
- **Resources:** Minimum 25 mentors, including 5 defense/aerospace SMEs and 2 investment experts.
- **Networking:** Adequate collaboration with industry, academia, and government institutions to support ADITI winners.

# **12.2. AGNIPATH SCHEME**

#### **Quick facts**

- Purpose: Reducing salaries and pensions to divert resources for military modernisation
- Method: Short-term recruitment model or 'Tour of Duty' (ToD)
- Eligibility for agniveer: Candidates between the age of 17.5 years to 21 years fulfilling other eligibility criteria
- Benefits: Empower, discipline & skill youth with military ethos in civil society

**Objectives:** To enhance youthful profile of the armed forces, attract young talent and ensure youths remain an asset.

#### Salient features

- Agniveers
  - They will be recruited as **personnel below officer (PBOR) rank in the army, air force and navy for four years**, including six months of training.
  - Around **45,000 to 50,000 soldiers**, between **age of 17.5 to 21 years (23 years for the current year's recruitment**) will be **recruited annually**.
- Compensation for Agniveers
  - Under the **"Seva Nidhi" package** (exempt from Income Tax), they will receive ₹11.71 lakh, including contribution and interest, on completion of service.

#### • Permanent enrolment

• **Only 25%** of total recruits will be **allowed to continue for another 15 years** under permanent commission.

# **12.3. OTHER SCHEMES/INITIATIVES**

Technology	• It is a flagship programme executed by DRDO under <b>'Make in India' initiative.</b>
Development Fund	Objectives
(TDF) Scheme	• To provide <b>Grant in Aid to Indian industries</b> , including MSMEs and Start-ups,
	as well as academic and scientific institutions for the development of
	Defence and dual use technologies that are currently not available with
	the Indian defence Industry.
	• To create a bridge amongst the Armed Forces, research organizations,
	academia and qualifying/certifying agencies with private sector entities.
	• To support the futuristic technologies having a Proof of Concept and
	converting them into prototype.
	• Corpus: Rs. 100 Cr
	• The Ministry of Defence has approved Fund Enhancement under TDF Scheme
	from ₹10 crore to <b>₹50 crore per project</b> .
Defence Testing	• Aim: To boost domestic defence and aerospace manufacturing by creating
Infrastructure (DTI)	state-of-the-art testing infrastructure in partnership with the private industry.
Scheme	• Envisages setting up of 6-8 Greenfield DTI facilities that are required for
	defence and aerospace related production.
	Financial assistance:
	• Projects will be provided with up to 75% Government funding in the form <b>of</b>
	'Grant-in-Aid'.
	• 25% of the project cost will have to be borne by the Special Purpose Vehicle
	(SPV) which will be the Indian private entities and state governments.
	• The SPVs under the Scheme will be registered under Companies Act 2013.
One Rank One	• Aim: To provide uniform pension be paid to the Armed Forces personnel retiring
Pension (OROP)	in the same rank with the same length of service, regardless of their date of
	retirement.
	• Coverage: Armed Forces Personnel retired up to June 30, 2019 family
	pensioners, including war widows and disabled pensioners.
	Exclusion: Personnel who voluntarily retire
	• In future, the <b>pension would be re-fixed every 5 year</b>
	NOTE: Before OROP, ex-servicemen used to get pensions as per the Pay
	Commission's recommendations of the time when they had retired.
National	• Educational and motivational tours to provide an insight into the rich heritage of
Integration Tour	the country as well as various developmental and industry initiatives that are
	underway.
	Beneficiaries: For youth of Jammu & Kashmir and North Eastern States
	• This initiative exposes youth to various career options and enables them to
	interact with renowned personalities.
Mission Raksha	• Aim: To inculcate Intellectual Property Right (IPR) culture in Indian defense
Gyan Shakti	manufacturing ecosystem.

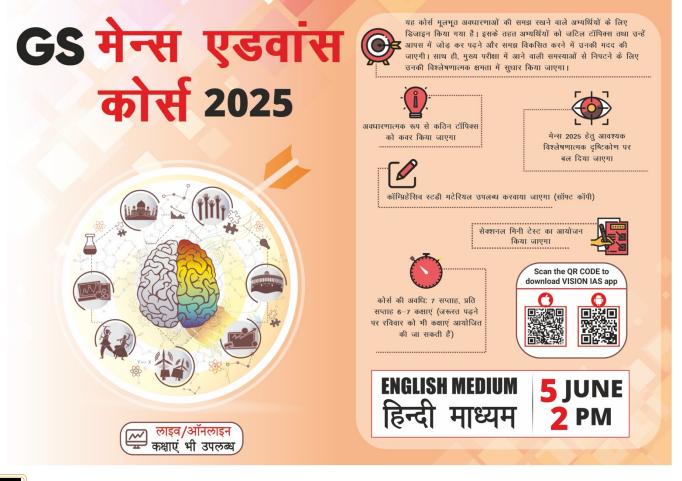

# **13. MINISTRY OF EARTH SCIENCES**

# **13.1. OTHER SCHEMES/INITIATIVES**

Mission Mausam	<ul> <li>Purpose: To position India as a global leader in weather and climate sciences.</li> <li>Objectives: To improve weather and climate services, ensuring timely and precise observation, modeling, and forecasting information for multiple sectors, including agriculture, disaster management, and rural development.</li> <li>Making India Weather-ready and Climate-smart</li> <li>BENEFICIARIES</li> <li>General public, national and state-level disaster management authorities, Agriculture, Civil Aviation, Water resources, and many other sectors</li> <li>IMPLEMENTATION AGENCIES</li> <li>India Meteorological Department (IMD), Indian Institute of Tropical Meteorology (IITM), and National Centre for Medium-Range Weather Forecasting (NCMRWF)</li> </ul>

Mausam App	Aim: to provide seamless and user-friendly access to weather products available on https://mausam.imd.gov.in/.      Provides 5 services      Nowcast
	Current Weather (localized hourly City Forecast Warnings Radar products warnings)
System of Air	• Aim: Research based management system where strategies of air pollution
Quality and	mitigation go hand in hand with nation's economic development
Weather	• It provides location specific information on air quality in near real time in
Forecasting and	metropolitan cities.
Research	• Also provides forecast 1-3 days in advance (for the first time in India).
(SAFAR)	• It has been combined with the early warning system on weather parameters.
Gagan Enabled	• Aim: Seamless and effective dissemination of emergency information and
Mariner's	communication on disaster warnings, Potential Fishing Zones (PFZ) and Ocean
Instrument for	States Forecasts (OSF) to fishermen.
Navigation and	• The GEMINI device receives and transfers the data received from GAGAN
Information	satellite/s to a mobile through Bluetooth communication.
(GEMINI) device	• A mobile application developed by INCOIS decodes and displays the information in
	nine regional languages.

# **14. MINISTRY OF EDUCATION**

# 14.1. SAMAGRA SIKSHA- AN INTEGRATED SCHEME FOR SCHOOL EDUCATION

# Quick facts

- **Purpose:** Improving school education holistically as a continuum from Pre-school to Class 12
- Type: Centrally Sponsored Scheme
- Implementing agency: State Implementation Society (SIS) at the State/UT level
- **Tenure:** 2021 to 2026

#### **Objectives:**

- Universal Access, Equity and Quality, promoting Vocationalisation of Education and strengthening of Teacher Education Institutions (TEIs).
- Support States in implementation of Right of Children to Free and Compulsory Education (RTE) Act, 2009.

#### Salient features

- **Background:** Samagra Shiksha is an overarching School education programme **from pre-school to class 12** which subsumes:
  - Sarva Shiksha Abhiyan: Universalizes elementary education with infrastructure support per RTE Act, 2009
  - Rashtriya Madhyamik Shiksha Abhiyan (RMSA): Enhances access and quality of secondary education
  - **Teacher Education Scheme:** Develops infrastructure for teacher training and academic support for elementary and secondary schools
- Focus on Girl Education: Upgradation of Kasturba Gandhi Balika Vidyalayas (KGBVs) from Class 6-8 to Class 6-12.
  - Self-defence training for girls from upper primary to senior secondary stage.
  - Enhanced Commitment to 'Beti Bachao Beti Padhao'.
- **Focus on Digital Education:** Support 'Operation Digital Board' in all secondary schools over a period of 5 years. Digital initiatives like UDISE+, Shagun, to be strengthened.

ÀÃĂ

Samagra Shiksha Scheme

inclusive classroom environment

Covers 1.16 million schools, over 156 million students and 5.7 million Teachers of Govt. and Aided schools

Access to quality education with an equitable and

Greater focus on imparting skills among the students

All child centric interventions will be provided directly

to the students through DBT mode over a period of time

for School Education

- Shiksha Shabdkosh: A document on glossary of various terminologies in School Education.
- Administrative Reform: Single and unified administrative structure leading to harmonized implementation.
- Samagra Shiksha Framework: This framework, issued by the DoSEL, gives the Key Performance Indicators (KPI) for each component and physical and financial details of implementation of each component of Samagra Shiksha.
- Amendment to the RTE Act, 2009: The schedule to RTE Act, 2009 has been amended regarding pupil teacher ratio for special educators in general schools.
  - At primary level: One special education teacher for every ten pupils with disabilities.

• At upper primary level: One special education teacher for every fifteen pupils with disabilities enrolled.

#### • Initiatives to align with NEP 2020

- **SARTHAQ (Students' and Teachers' Holistic Advancement through Quality Education):** NEP Implementation Plan.
- **NIPUN Bharat:** Ensures foundational literacy and numeracy for Grade 3 by 2026-27.
- **Foundational Learning Study (FLS):** Assesses Class 3 students' foundational literacy and numeracy.
- Vidya Pravesh: 3-month play-based school preparation module by NCERT.
- Vidyanjali 2.0: Web portal connecting volunteers with schools for contributions.
- **Kasturba Gandhi Balika Vidyalayas (KGBVs):** Residential schooling for girls up to Class 12 with essential facilities.
- **Netaji Subhas Chandra Bose Avasiya Vidyalayas:** For children in hilly or remote areas needing shelter and care.
- NISHTHA 4.0 (ECCE): Online teacher training for Early Childhood Care and Education.

# 14.2. PM SHRI SCHOOLS (PM SCHOOLS FOR RISING INDIA)

#### **Quick Facts**

- **Purpose**: Provide equitable, inclusive, and joyful education while nurturing holistic, well-rounded individuals with 21st-century skills
- Type: Centrally Sponsored Scheme
- Beneficiaries: More than 20 lakh students are expected to be direct beneficiaries of scheme
- Tenure: 5 years (2022-23 to 2026-27)

**Objective**: Development of more than 14500 schools across country as PM SHRI Schools to showcase all components of National Education Policy (NEP) 2020

# Salient Features

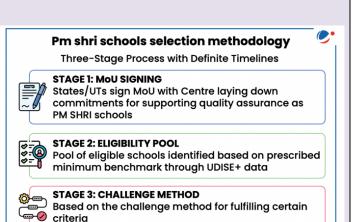

- Selection Method: Transparent challenge mode with schools self-applying through an online portal.
- High-Quality Education:
  - Experiential and holistic pedagogy aligned with NEP 2020.
  - Competency-based assessments focusing on conceptual understanding and real-life applications.
- **Green Schools:** Incorporation of eco-friendly practices like solar panels, water conservation, waste management, and plastic-free initiatives.

# • Enhanced Infrastructure:

- Smart classrooms, digital libraries, vocational labs, playgrounds, and stateof-the-art science labs.
- Furniture and learning tools tailored for various grades, including Jadui Pitara and outdoor play materials.

# Skill Development:

- Integration of vocational training, internships, and entrepreneurship opportunities.
- Collaboration with local industries and Sector Skill Councils.
- Mentoring and Leadership: PM SHRI
   schools to mentor and lead nearby schools, creating a ripple effect for quality education.

#### • Inclusive Education:

- Focus on equity and inclusion with safe infrastructure for girls and children with special needs (CWSN).
- Promotion of mother tongue/local languages as a medium of instruction.

## • Monitoring and Quality Assurance:

- Regular evaluations using a School Quality Assessment Framework (SQAF). Geo-tagging of schools for selection and monitoring.
- Convergence and Community Participation: Collaboration with Panchayati Raj Institutions, Urban Local Bodies, and community groups for infrastructure development and resource pooling.

## • Implementation Strategy

- Implemented through existing administrative structures of Samagra Shiksha, Kendriya Vidyalaya Sangathan (KVS), and Navodaya Vidyalaya Samiti (NVS).
- Monitored rigorously to ensure adherence to NEP 2020 goals.

# 14.3. PRADHAN MANTRI UCHCHATAR SHIKSHA ABHIYAN (PM-USHA)

#### Quick facts

- Purpose: To cater to needs of educationally unserved/underserved areas
- Type: Centrally Sponsored Schemes
- Coverage: Covers government and government-aided institutions of the States and UTs
- Tenure: 2023-24 to 2025-26

#### Objectives

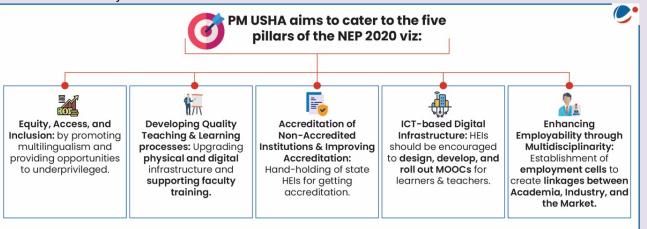

- To improve the overall quality of existing state higher educational institutions (State HEIs).
- Implementation of recommendations of the NEP 2020 through funding support provided to State HEIs.
- Improving accreditation status of accredited institutions and getting accreditation of non-accredited institutions.
- **Establish backward and forward linkage**s with school education on one hand and employment market, on the other hand.
- **Developing infrastructure** for ODL/Online/Digital mode of education in such States/UTs.
- Providing adequate opportunities for higher education to socially deprived communities.
- Focusing on low **GER**, Left Wing Extremism (LWE), border area districts, aspirational districts and districts with higher SC/ST population,
- Enhancing employability through skilling and vocationalization.
- Focus on multidisciplinary education, including STEM, commerce and humanities fields of education.

#### Salient features

- Background: In 2013, Centre launched Rashtriya Uchchatar Shiksha Abhiyan (RUSA to attain higher levels of access, equity, and excellence in the State HEIs. In 2018, the second phase of RUSA was launched.
  - Now, in the light of the **National Education Policy (NEP), 2020**, RUSA scheme has been launched as Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA).
- Component in PM-USHA
  - Multi-Disciplinary Education and Research Universities (MERU): Only accredited state government universities would be eligible.
    - > NAAC Grading; NIRF Ranking are key criterion for shortlisting.
  - **Grants to Strengthen Universities (Accredited & Unaccredited Universities):** Only state government universities would be eligible.

- **Grants to Strengthen Colleges (Accredited & Unaccredited Colleges):** Only state government and government-aided colleges will be eligible.
- **New Model Degree Colleges:** Districts without any government HEIs would be eligible. Only state government colleges would be established.
- **Gender Inclusion and Equity Initiatives:** Districts would be taken as a unit and not individual institutions. The activities that can be undertaken under this component include doing sensitization workshops, combined hostels for females for the nearby colleges and universities in the district, etc.
- Management Monitoring Evaluation and Research (MMER): The amount of MMER grants is 2 percent of the total fund approved, out of which 1 % will be released to the States/ UTs and 1 % will be utilized by the Centre.

- Priority would be given to Focus districts: States would identify the Focus Districts on the basis of the following indicators:
  - Low Gross Enrolment Ratio (GER).
  - Population proportion and enrollment proportion for **Females, transgenders, SCs, STs and OBC**s.
  - Aspirational/ Border Area/ Left Wing Extremism (LWE) prone district.
  - o Gender parity.
- **Process of Selection:** Selection of institutions would be done through the challenge method.
- Monitoring and Evaluation: The scheme shall be monitored and evaluated at each level i.e. Central, State, and Regional.
  - At the Central Level **National Mission Authority (NMA)** chaired by Union Minister of Education acts as an overseer of the scheme.
  - **Project Approval Board (PAB)** (chaired by Secretary, Higher Education, GoI) ensures regular monitoring and evaluation of not only the proposals but also the performance of the scheme.
- Activities not supported under PM USHA: Payment of salaries, pensions, and other benefits, recurring/non-recurring cost for any project, etc., scholarships, fellowships, or stipends to students, among others.

# 14.4. OTHER SCHEMES/INITIATIVES

One Nation One Subscription (ONOS)	•	<b>Purpose:</b> To provide universal access to more than 13,000 scholarly journals from 30 major international publishers.
	•	Type: Central Sector Scheme
	•	<b>Coverage:</b> 6,300+ government Higher Education Institutions (HEIs) and central government R&D laboratories.
	•	Target Beneficiaries: 1.8 crore students, faculty, researchers, All Higher
		Educational Institutions, central government R&D institutions

Pradhan Mantri	<ul> <li>Administration: Coordinated by INFLIBNET, an autonomous inter-university center of the University Grants Commission (UGC).</li> <li>Periodic Reviews: Anusandhan National Research Foundation (ANRF) will periodically assess the usage of ONOS and the publication output of Indian authors to ensure effective utilization of resources.</li> </ul>
Vidyalaxmi	• <b>Purpose:</b> To financial support meritorious students so that financial
(PMVidyalaxmi)	constraints do not prevent any youth of India from pursuing quality higher education
Scheme	<ul> <li>Background: For helping out youth who have not been eligible for any benefit</li> </ul>
	under government schemes and policies, the Union Budget 2024-25 has
	announced a financial support for loans up to 10 lakhs for higher education in
	domestic institutions.
	• Type: Central Sector Scheme
	PM-VIDYALAXMI EDUCATION LOAN         A Comprehensive Student Loan Initiative
	ELIGIBILITY • Students admitted through open competitive exams or merit-based admission in the top 860 guidibut Higher
	top 860 quality Higher(depends on course fee, hostelEducational Institutions (QHEIs)fee, and other expenses)
	LOAN FEATURES       • Collateral-free, guarantor-free loans       • Loans up to ₹7.5 lakh get a 75% credit guarantee from government       • Total tota
	INTEREST SUBVENTION
	<ul> <li>3% interest subsidy for students with family income up to 8 lakh on loans up to 10 lakh</li> <li>Full interest subsidy for students with family income up to 4.5 lakh</li> </ul>
	MONITORING: Through PM Vidyalaxmi portal, developed and maintained by Canara Bank
National	<ul> <li>Purpose: To provide on-job training to technically qualified youth for 6 months</li> </ul>
apprenticeship	to 1 year, bridging gap between industry skill requirements and academic
training scheme	curriculum.
(NATS)	• Beneficiaries: Graduate, Diploma students and Vocational certificate
	holders
	<ul> <li>Statutory Basis: Under provisions of Apprentices Act, 1961 amended in 1973</li> <li>Implementing Agency: Boards of Apprenticeship/Practical Training</li> </ul>
	<ul> <li>Implementing Agency: Boards of Apprenticeship/Practical Training</li> <li>Applicability: Course Fees (directly to the training institute) along with</li> </ul>
	expenses towards completion of the course (assessment, examination, study
	material, etc.)
	• Tenure: 2021-2026
ULLAS – New India Literacy Programme (Nav Bharat Saaksharta	• <b>Purpose:</b> To empower individuals aged 15 years and above with foundational literacy and numeracy, critical life skills, basic education, vocational skills, and continuing education, aligning with the vision of NEP 2020 to mainstream popliterates into society.
Karyakram)	<ul> <li>nonliterates into society.</li> <li>Type: Centrally Sponsored Scheme</li> </ul>
,,	<ul> <li>Tenure: 2022-2027</li> </ul>

	Components Of ULLAS			
	Foundational Literacy and Numeracy Vocational Skills Skill development for livelihood Basic Education Equivalency with formal education			
PM eVIDYA	<ul> <li>PM eVIDYA unifies all efforts related to digital/online/on-air education to enable multi-mode access for imparting education by using technology to minimise learning losses.</li> <li>It has been initiated as part of Atma Nirbhar Bharat Abhiyaan.</li> <li>Use of ICT under PM eVIDYA, particularly during the COVID-19 pandemic, won UNESCO's recognition (UNESCO's King Hamad Bin Isa Al-Khalifa Prize).</li> </ul>			
Vidya Sameeksha	<ul> <li>The Ministry of Education plans for nationwide replication of Gujarat</li> </ul>			
Kendra (VSK)	Education Department's VSK.			
	• VSK helps track daily <b>online attendance of teachers and students</b> , <b>periodic</b>			
	assessments of learning outcomes of students, etc.			
	National surveillance system known as NDEAR (National Digital Education			
Indian Knowledge	<ul> <li>Architecture) was launched to create a unifying national digital infrastructure.</li> <li>IKS is an innovative cell at All India Council for Technical Education</li> </ul>			
Systems (IKS) initiative	IKS is an <b>innovative cell</b> at <b>All India Council for Technical Education</b> (AICTE).			
Cystems (ne) miliarite	<ul> <li>It is established to promote interdisciplinary research on all aspects of IKS,</li> </ul>			
	<b>preserve and disseminate IKS</b> for further research and societal applications.			
	It aims to spread rich heritage and traditional knowledge in field of Arts and			
	literature, Agriculture, Basic Sciences, Engineering & Technology, etc.			
	Raja mantri chor sipahi, posham pa, gilli danda etc. are among <b>75 indigenous</b>			
	games that will be introduced in schools under IKS initiative.			
Strengthening	Type: Centrally Sponsored Scheme			
Teaching-Learning and	• Purpose: Improving the overall monitoring and measurement activities in			
Results for States	the Indian School Education System.			
(STARS) Project	• Tenure: Till FY 2024-25.			
	• External support: By World Bank amounting to US \$ 500 million			
	<ul> <li>Coverage: 6 States namely Himachal Pradesh, Rajasthan, Maharashtra, Madhya Pradesh, Kerala and Odisha.</li> </ul>			
	<ul> <li>Carved out of Samagra Shiksha, with a focus on those elements of the</li> </ul>			
	scheme that will <b>most directly support school education enhancement.</b>			
	• 2 major components:			
	• At National level: Strengthening of learning assessment systems,			
	Establishing a National Assessment Center (PARAKH) etc.			
	• At State level: Strengthening Early Childhood Education, classroom			
	instruction, Vocational education etc.			
	Links the receipt and disbursement of funds to outcomes.			
	Some of the measurable outcomes Under STAR project     Junrovement in secondary school completion rate			
	<ul> <li>Improvement in secondary school completion rate</li> <li>Improvement in governance index scores</li> </ul>			
	<ul> <li>Strengthened learning assessment systems</li> </ul>			

	• Partnerships developed to facilitate cross-learning between states		
	<ul> <li>Minimum proficiency in grade 3 language in selected states</li> </ul>		
	<ul> <li>Strengthening planning and management capacities for decentralized management</li> </ul>		
Prime Minister's	• Aim: To attract the best talent into research thereby realizing the vision of		
Research Fellowship	development through innovation.		
Scheme	Coverage:		
	<ul> <li>Coverage:</li> <li>All the IITs, all the IISERs, Indian Institute of Science (Bengaluru)</li> </ul>		
	• Some of the top Central Universities/NITs that offer science and/or		
	technology degrees		
	<ul> <li>Any recognised institute/university</li> </ul>		
	• Attractive scholarship is provided to the selected candidates for a PhD		
	<b>program</b> in the area of Science or Engineering/Technology.		
	• A PMRF fellow is expected to teach once a week in a neighborhood		
	ITI/Polytechnic/Engineering College/School other than their own PMRF		
	granting institute.		
Study in India	• About: The Study in India program is a flagship of Government of India to		
Programme	encourage international students to explore educational opportunities at top		
	Indian universities.		
	Type: Central Sector Scheme		
	• Purpose: To make India a preferred education destination/hub for foreign		
	students.		
	• Implementing Agency: EdCIL (India) Limited, a Mini Ratna Category I.		
Rashtriya Avishkar	Aim: To motivate and engage children (6-18 years) in Science, Mathematics		
Abhiyan (RAA)	and Technology through observation, experimentation, inference drawing,		
	etc.		
	A subcomponent of both SSA and RMSA.		
	Mentoring by institutes like IITs/ IIMs/ IISERs and other central universities		
	and reputed organizations through innovative programmes, student		
	exchanges, etc.		
Unnat Bharat Abhiyan	Type: Central Sector Scheme		
	• Aim: Transformational change in rural development processes by		
	leveraging knowledge institutions to build Inclusive India.		
	Areas for technical		
	intervention		
	sustainable water resource artisans, basic amenities rural energy		
	agriculture management livelihood services)		
	Facilitate faculty and students of Higher Educational Institutions (HEIs) in		
	identifying development issues in rural areas and finding sustainable		
	solutions for the same.		
	Under <b>Unnat Bharat Abhiyan 2.0,</b> the scheme is extended to all educational		
	institutes subject to fulfilling certain criteria.		
Kalam Program for IP	• Aim: To recognise, facilitate and felicitate the Intellectual Property,		
Literacy and	innovations and best practices in higher education institutions (HEIs).		
Awareness (KAPILA)	Launched by: Ministry of Education's Innovation Cell (MIC)		
. /			

AICTE-SPICES (Scheme for Promoting	<ul> <li>Provides financial assistance to the institutions that are part of the Higher Education Institutions for filing patent.</li> <li>It will create appropriate awareness regarding the need of IP filing, mechanism, and methodology involved in filing IP in India and globally, especially amongst students and faculty of higher education institutions.</li> <li>Aim: For developing students club for the well-rounded development of students by promoting their interests, creativity, and ethics.</li> </ul>		
Interests, Creativity and Ethics among Students)	<ul> <li>Eligibility: AICTE approved institutes with minimum 5 years of existence.</li> <li>Financial assistance: ₹ 1 Lakh only to a Student Club to develop it as model Club (only one time grant to one institute)</li> </ul>		
Vittiya Saksharata Abhiyan (VISAKA)	An appeal was made to all <b>the higher educational institutions to develop a</b> <b>cashless campus.</b> <b>National Cadet Corps (NCC)/National Service Scheme (NSS) volunteers</b> to <b>spread awareness</b> about these digital modes of transactions to shopkeepers, vendors in nearest market place.		
IMPacting Research INnovation and Technology (IMPRINT) 2.0	<ul> <li>Aim: To solve the most relevant engineering challenges faced by our nation by translating knowledge into viable technology.</li> <li>Coverage: Ministry of Education funded HEIs /Centrally Funded Technical Institution (CFTI) including private institutions.</li> <li>Subsumes the erstwhile Uchhatar Avishkar Yojana.</li> <li>Funded by: Ministry of Education and Department of Science and Technology (DST).</li> </ul>		
Institute of Eminence (IoE) scheme	<ul> <li>(DST).</li> <li>Aim: To enable 10 institutions each from the public and private category to have world class academic &amp; research facilities and grant them the status of loE.</li> <li>Benefits to loEs: <ul> <li>Government will provide funding upto ₹1,000 crore to public institutions, for private institutions no financial support.</li> <li>Significant amount of autonomy in academic, administrative &amp; financial matters has been provided under the regulatory framework to these institutions.</li> <li>loEs are allowed to set up campuses abroad after receiving no objection certificates from Ministry of External Affairs and Ministry of Home Affairs.</li> <li>Norms and standards of the off shore campus shall be the same as that maintained on the main campus for similar courses.</li> <li>loEs are also permitted to start off new campus centres, with a maximum of three in five years and not more than one in an academic</li> </ul> </li> </ul>		
Vidwan portal	<ul> <li>year.</li> <li>It is the premier database of profiles of scientists / researchers and other faculty members working at leading academic institutions and other R &amp; D organisations involved in teaching and research in India.</li> </ul>		
Nav Bharat Saaksharta Karyakram (New India Literacy Programme or NILP)	Organisations involved in teaching and research in India.Type: Centrally Sponsored SchemeThe scheme is in alignment with the recommendations of NationalEducation Policy (NEP) 2020.The scheme targets all non-literates of age 15 years and above in thecountry, with more focus on females and educationally backward states.		

73

	<ul> <li>The scheme is to be implemented through volunteer teachers and students of schools and Higher Education Institutions and Teacher Education Institution.</li> <li>Target for FYs 2022-27 is 5 crore learners (1.00 crore per year) by using "Online Teaching, Learning and Assessment System (OTLAS)" in collaboration with National Informatics Centre, NCERT and NIOS.         <ul> <li>Five components</li> <li>Critical Life Skills</li> <li>Basic Education</li> <li>Vocational Skills</li> <li>Continuing Education</li> </ul> </li> </ul>		
SWAYAM (Study Webs of Active– Learning for Young Aspiring Minds)	<ul> <li>Aim: To take the best teaching learning resources to all, including the most disadvantaged.</li> <li>A repository of more than 300 high quality Massive Open Online Courses (MOOC) that are developed by academicians from top ranked institutions and are offered free of cost.         <ul> <li>Key benfits</li> <li>Weekly</li> <li>Proctored</li> <li>Easy</li> <li>Active</li> <li>Systematic</li> <li>Approach</li> </ul> </li> </ul>		
Global Initiative of Academic Networks (GIAN)	<ul> <li>Aim: Tapping the talent pool of scientists and entrepreneurs internationally to encourage their engagement with the institutes of Higher Education in India.</li> <li>Faculty from highly rated institutions abroad will visit India, interact and partner with their counterparts and with students, and deliver specialised courses.</li> <li>The lectures under GIAN would be made available to the students across the country through the SWAYAM, the MOOCs platform and the National Digital Library.</li> </ul>		
National Academic Depository (NAD)	It is a 24x7 online store house of all academic awards viz. certificates, diplomas, degrees, mark sheets, etc. Duly digitised and lodged by academic institutions / boards / eligibility assessment bodies.		
National Institutional Ranking Framework (NIRF)	<ul> <li>Outlines a methodology to rank institutions across the country. Shala Gunvatta	• It is a <b>repository of best practices</b> , photographs, videos, studies, newspaper		
(Shagun) Portal	articles, etc. on elementary education in schools of the Central		
	Government, States & UTs & Autonomous bodies.		
	• Its <b>online monitoring module</b> measures State-level performance and progress against key educational indicators.		
Credit Guarantee Fund	<ul> <li>Education loans offered by around 30 regional rural banks (RRBs) will now</li> </ul>		
Scheme for Education	have the credit shield from the CGFSEL.		
Loans (CGFSEL)	• This will bring <b>RRBs on a par with commercial banks and help them</b>		
	lower interest rate on such loans.		
	• The CGFSEL was set up by Ministry of Education in 2015 to ease education		
	loans and extend guarantee coverage against default in education loans		
	sanctioned by public, private, and foreign banks.		
	• At present, the scheme covers <b>default on an education loan if the loan limit</b>		
	is ₹7.5 lakh without any collateral security or third-party guarantee.		

a)

# **15. MINISTRY OF ELECTRONICS & IT**

# **15.1. DIGITAL INDIA PROGRAMME**

# **Quick facts**

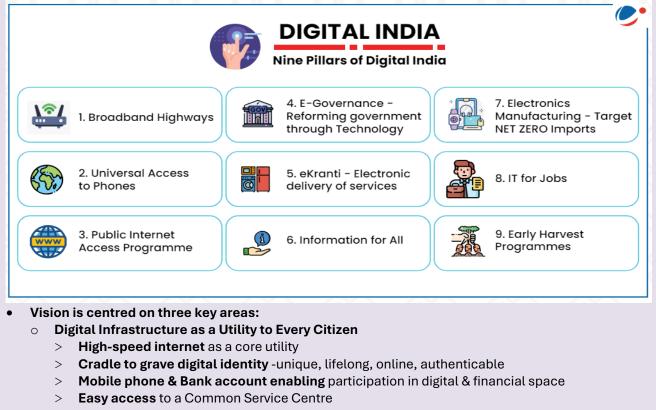

- Purpose: To transform India into a digitally empowered society and knowledge economy
- Nature: Umbrella programme that clubs together various e-governance initiatives across Ministries and Departments
- Leveraging private sector: Public Private Partnerships (PPP) are preferred wherever feasible to implement e-Governance projects.
- Implementation: By the entire Government with overall coordination by the MeiTY.

# Objectives

- To transform India into a digitally empowered society and knowledge economy.
- To ensure digital access, digital inclusion, digital empowerment and bridge the digital divide.
- To ensure that Government services are available to citizens electronically.

# Salient features

- Background: launched in 2015 to enable digital delivery of services to citizens.
- **Umbrella programme:** Covers multiple projects of various Central Ministries/Departments and States and Union Territories (UTs).
  - The central **ministries/departments** and state governments concerned would have the **overall responsibility for the implementation** of various projects under the Digital India Programme.

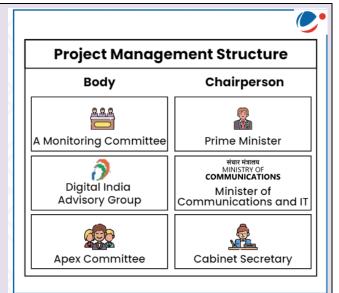

Shareable private space on a public cloud

0

- > Safe and secure Cyber-space
- Governance & Services on Demand
  - > Seamlessly integrated across departments or jurisdictions
  - > Services available in real-time from online &mobile platform
  - > All citizen entitlements to be **available on** the cloud
  - > Services digitally transformed to improve Ease of Doing Business
  - Making financial transactions electronic & cashless
  - > Leveraging GIS for decision support systems & development
- Digital Empowerment of Citizens
  - > Universal Digital Literacy
  - > Universally accessible digital resources

- > All documents/ certificates are to be available on the cloud
- > Availability of digital resources/services in Indian languages
- > Collaborative digital platforms for participative governance
- > Portability of all entitlements through the cloud
- Key agencies enabling DI initiatives: Some of them include:
  - Controller of Certifying Authorities (CCA)
  - Centre for Development of Advanced Computing (C-DAC)
  - o Centre for Railway Information Systems (CRIS)
  - Common Services Center (CSC)
  - Small Farmers Agribusiness Consortium (SFAC)
- Some of the Key initiatives: Aadhar, Common Service Centres (CSCs), Digi Locker, Digi Sevak, Bharat Broadband Network Limited, CERT-In, Centre of Excellence for IoT, Cyber Swachhta Kendra etc.

# 15.2. SAMRIDH (START-UP ACCELERATORS OF MEITY FOR PRODUCT INNOVATION, DEVELOPMENT AND GROWTH) PROGRAMME

# **Quick facts**

- **Purpose:** To create a conducive platform to **Indian Software Product start-ups to enhance their products** and securing investments for scaling their business.
- Focus: Accelerating the 300 start-ups by providing customer connect, investor connect, and international immersion in next three years (from 2021).
- Financial assistance: Investment of up to Rs 40 lakh to the start-up will be provided through selected accelerators.
- Implementing agency: MeitY-Startup-Hub (MSH)

**Objective:** To **support existing and upcoming accelerators** to select and accelerate potential IT based startups to scale for solving India's problems creating positive social impact.

### Salient features

• Backgrounds: Government of India has various programs to promote incubation services to startups, but an urgent need was felt to conceptualize and run an accelerator program to help these start-ups with Social Impact and to solve India's problems at scale.

- The Startups from aforementioned programs will act as a **feeder for the SAMRIDH program**.
- Support to accelerator: The SAMRIDH scheme will support existing and upcoming Accelerators to select and accelerate potential IT based startups to scale for solving India's problems creating positive social impact.
  - Startup accelerators support early-stage, growth-driven companies through education, mentorship, and financing.
- Eligibility of Accelerators:
  - Have been in the **business of incubation for more than 3 years** and **supported more than 50 start-ups** of which at least 10 have received non-public investment, Or
    - > Having targeted accelerator programs with an **experience of running at least 3 cohorts** with activities listed as desirable under SAMRIDH
  - Have operations in India
  - Have **necessary space and infrastructure** to carry out activities for the start-ups.
  - Should demonstrate capabilities with regard to:
    - > **Supporting Start-Ups** for domestic and international market immersion
    - > Network/Connect with Venture Capitalist/Angel Investors
    - > On-boarded with leading business mentors
  - Structured cohort for accelerating deep tech software product start-ups.
- Support mechanism
  - MSH will take **equity in Start-Ups for Government's contribution** via Promissory/SAFE Note, same as accelerator which will be utilized for self-sustainability of the program.
  - A Project Management Unit will be formed for the overall implementation of the program.
  - MSH is a **nodal entity under MeitY** to facilitate its vision of **promoting technology innovation, start-ups** and **creation of Intellectual Properties.**
  - It acts as a **national coordination, facilitation and monitoring centre** to integrate all the incubation centres, start-ups and innovation related activities of MeitY.

# **15.3. NATIONAL SUPERCOMPUTING MISSION**

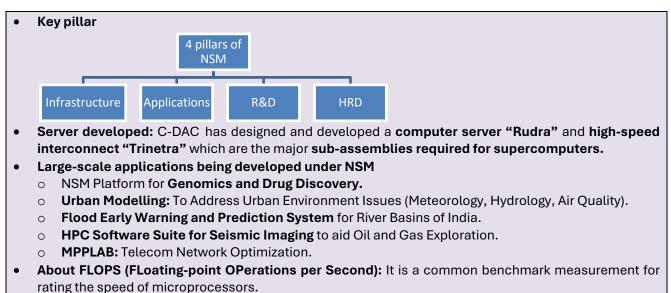

### **Quick facts**

- Purpose: Developing indigenous supercomputing ecosystem of the nation
- Inter-ministerial initiative: MeiTY and the Department of Science and Technology (DST)
- Expected benefit: Accelerate R&D activities in multidisciplinary domains of science and engineering
- Implementing Agencies: Centre for Development of Advanced Computing (C-DAC) and Indian Institute of Science (IISc), Bangalore

**Objective:** To build and deploy **24 facilities** with **cumulative compute power of more than 64 Petaflops** 

- Background
   Launched in 2015 and envisages empowering our national academic and R&D institutions by installing a vast supercomputing grid comprising of more than 70 high-performance computing (HPC) facilities.
  - These supercomputers will also be networked on the National Supercomputing grid over the National Knowledge Network (NKN).
    - > The NKN is another programme of the government which **connects academic institutions and R&D labs over a high speed network.**

- A MegaFLOPS is equal to one million FLOPS.
- A GigaFLOPS is equal to one billion FLOPS.
- A TeraFLOPS is equal to one trillion FLOPS.
- A PetaFLOPS can be measured as one thousand teraflops.
- First Indian supercomputer was **PARAM 8000.**

# **15.4. PRODUCTION LINKED INCENTIVE (PLI) 2.0 FOR IT HARDWARE**

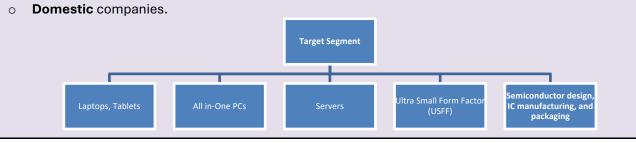

### Quick facts

- Purpose: To boost domestic manufacturing and attract large investments in the value chain
- Type: Central Sector Schemes
- Incentive Period: 6 years during the Scheme tenure
- Project Management Agency: Industrial Finance Corporation of India (IFCI)

**Objective:** Through financial incentives boost domestic manufacturing and attract large investments in the **value chain.** 

### Salient features

- **Background:** PLI 2.0 Scheme for IT hardware **doubled the outlay** while also enhancing the incentive and tenure as compared to PLI 1. 0 (launched in 2021).
  - It was launched to provide **more flexibility to applicants** and **allow a longer duration** to develop the supply chain within the country.
  - 3 category of applicants
  - Global companies
  - Hybrid (global/domestic) companies

.

- **Eligible Product:** Goods manufactured in India and covered under target segment. Incentive shall be given on the sales of Target Segment Goods.
- Incentives: Around 5% on net incremental sales over base year.
- Monitoring: Empowered Group of Secretaries (EGoS) chaired by the Cabinet Secretary.

# 15.5. PRODUCTION LINKED INCENTIVE (PLI) SCHEME FOR LARGE SCALE ELECTRONICS MANUFACTURING

### Quick facts

- Type: Central Sector Scheme
- **Purpose:** To boost domestic manufacturing and to become global champions in electronics manufacturing
- Nodal Agency: Project Management Agency (PMA)
- Tenure: For round two, tenure is 4 years applicable from 01.04.2021

**Objectives:** To **attract large investments in the electronics value chain** including manufacturing of mobile phones, semiconductor packaging and electronic components including Assembly, Testing, Marking and Packaging (ATMP) units.

### Salient features

- Eligibility: Support under the Scheme shall be provided only to companies engaged in manufacturing of target segments in India.
- Incentive: The Scheme shall extend an incentive of 4% to 6% on incremental sales (over base year) of goods manufactured in India and covered under target segments, to eligible companies, for a period of five (5) years subsequent to the base year.
- Target Segment: Mobile phones and specified electronic components.
- **Base Year:** Financial Year **2019-20** shall be treated as the base year for computation of incremental investment and incremental sales of manufactured goods.

# 16. MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (MOEFCC)

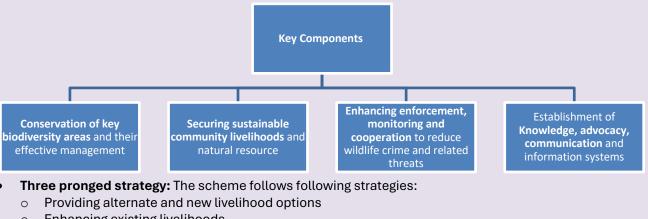

16.1. SECURE HIMALAYA (SECURING LIVELIHOODS, CONSERVATION, SUSTAINABLE USE AND RESTORATION OF HIGH RANGE HIMALAYAN ECOSYSTEM HIMALAYA) PROJECT

# **Quick facts**

- **Purpose:** Securing livelihoods, conservation, sustainable use and restoration of high range Himalayan ecosystems
- International support: Global Environment Facility (GEF) and UNDP
- Tenure: 2017-2024
- Partnering agency: TRAFFIC

**Objectives:** To ensure conservation of locally and globally significant biodiversity, land and forest resources in high Himalayan ecosystem.

- Global project: SECURE Himalaya project is a part of "Global Partnership on Wildlife Conservation and Crime Prevention for Sustainable Development" (Global Wildlife Program) funded by the Global Environment Facility (GEF).
  - It contributes to the **Global Snow Leopard Ecosystem Protection Program (GSLEP)**, a joint initiative of **12 range** country governments, international agencies, civil society, and the private sector.
- **Sustainable conservation:** The project promotes **sustainable management of alpine pastures** and forests in the high range Himalayan ecosystems.
  - It facilitates securing **conservation of globally significant wildlife**, including endangered snow leopard **and their habitats**.
- Area covered
  - Selected high altitude landscapes in the **Trans- and Greater Himalayan regions** which includes:
    - > Changthang (Jammu and Kashmir)
    - > Lahaul–Pangi and Kinnaur (Himachal Pradesh)
    - > Gangotri–Govind and Darma–Byans Valley in Pithoragarh (Uttarakhand)
  - o Kanchenjunga–Upper Teesta Valley (Sikkim)

- Enhancing existing livelihoods
- Supporting skill-based employment opportunities

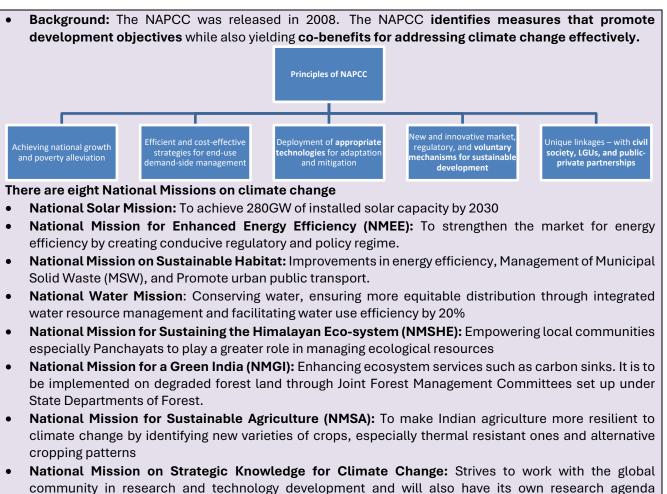

# **16.2. NATIONAL ACTION PLAN ON CLIMATE CHANGE**

#### **Quick facts**

- **Type:** Central Sector Scheme
- **Purpose:** To adapt to climate change and enhance the ecological sustainability of India's development path.
- Tenure: Upto 2025-26
- Implementing Agency: Missions are institutionalised by "respective ministries" and coordinated by Prime Minister's Council on Climate Change

**Objectives:** to enable the country to adapt to climate change and enhance the ecological sustainability of India's development path.

#### Salient features

supported by a Climate Research Fund

Environmental	• It is one of the <b>Central Sector sub- schemes being</b> implemented in alignment	
Information	with Mission LiFE.	
Awareness Capacity	Program is dedicated to raising awareness, building capacity, and promoting	
Building and	sustainable actions among individuals and communities across India.	

Livelihood Programme (EIACP)	It encompasses the best functional aspects of erstwhile Environmental Information System (ENIVIS) Scheme
Programme (EIACP) National Clean Air Programme (NCAP) Climate Resilience Building among Farmers through Crop Residue	<ul> <li>Information System (ENVIS) Scheme.</li> <li>Purpose: To improve air quality in 131 cities (non-attainment cities and Million Plus Cities) in 24 States/UTs by engaging all stakeholders.</li> <li>Target: Reducing Particulate Matter (PM10) concentrations upto 40% by 2024-25 over baseline of 2017-18 or achievement of national standards (60 µg/m3) by 2025-26.</li> <li>Implementation: By Central Pollution Control Board at the National level.</li> <li>Monitoring: By PRANA (Portal for Regulation of Air-pollution in Non-Attainment Cities)</li> <li>Aim: To mitigate climate change impacts and enhance adaptive capacity as well as counter the adverse environmental impacts that arise from stubble burning.</li> <li>The project has been lowneded under the National Adaptation Fund for</li> </ul>
Management	<ul> <li>The project has been launched under the National Adaptation Fund for Climate Change (NAFCC) to tackle Stubble Burning.</li> <li>Coverage: Punjab, Haryana, Uttar Pradesh and Rajasthan.</li> </ul>
Green Skill Development Programme (GSDP)	<ul> <li>Aim: To develop green skilled workers having technical knowledge and commitment to sustainable development.</li> <li>It has been conceptualised and developed by MoEF&amp;CC in consultation with the National Skill Development Agency (NSDA).</li> <li>All courses are National Skills Qualifications Framework (NSQF) compliant.</li> <li>It is utilising the vast network and expertise of Environmental Information System (ENVIS) Hubs/ Resource Partners (RPs).</li> <li>GSDP-ENVIS is a mobile app to boost employability and entrepreneurship of the youth in the country.</li> </ul>
India Cooling Action Plan (ICAP)	<ul> <li>Aim: To provide sustainable cooling and thermal comfort for all while securing environmental and socio- economic benefits for the society.</li> <li>The ICAP provides an integrated vision towards cooling across sectors encompassing INTER ALIA reduction of cooling demand, refrigerant transition, enhancing energy efficiency and better technology options with a 20 year time horizon (refer to the infographics).</li> <li>This will also help in reducing both direct and indirect emissions.</li> </ul>
PARIVESH	<ul> <li>PARIVESH (Pro-Active and Responsive facilitation by Interactive, Virtuous and Environmental Single-window Hub) is an environmental single window hub for Environment, Forest, Wildlife and CRZ clearances.</li> <li>It automates the entire process of submitting the application and tracking the status of such proposals at each stage of processing.</li> </ul>
Integrated Development of Wildlife Habitats	<ul> <li>Type: Centrally Sponsored Scheme</li> <li>Purpose: To conserve and develop wildlife habitats, protect keystone species and promote ecological balance through technological interventions and community engagement.</li> </ul>

	Financial assistance: Assistance is provided to State/UT Governments for protection and conservation of wildlife and its habitats in Protected Areas (PAs) as well as outside PAs and also for the recovery programmes of the critically endangered species.      Integrated Development of Wildlife Habitats     (Tenure: 15th Finance Commission cycle 2021-26)      Components     ·      ·      Support to Protected Areas     National Parks Wildlife
	Sanctuaries Conservation Reserves Community ReservesAreas and mitigation of Human Wildlife conflictfor saving critically endangered species and habitats
National Mission on Himalayan Studies (NMHS)	<ul> <li>Type: Central Sector Scheme</li> <li>Aim: Conservation and sustainable management of natural resources in Indian Himalayan Region (IHR)</li> <li>Focus: Enhancing livelihoods of local communities, in line with the National Environment Policy, 2006</li> <li>Implementing Agency: Himalayan Knowledge Network (HKN)</li> <li>Thematic Areas         <ul> <li>Skill Development and Capacity Building</li> <li>Handling of Hazardous Substances</li> <li>Physical Connectivity</li> <li>Infrastructure Development</li> <li>Water Resource Management</li> <li>Livelihood Options and Employment Generation</li> <li>Biodiversity Conservation and Management</li> </ul> </li> </ul>
Environment Education Awareness and Training (EEAT)	<ul> <li>Type: Central Sector scheme</li> <li>Aim: To promote environmental awareness and mobilize students' participation for environment conservation.</li> <li>Major programmes:         <ul> <li>National Green Corps (NGC) Programme: More than 1 lakh Eco-clubs have been formed in schools and colleges to educate students and to spread awareness on environmental issues.</li> <li>National Nature Camping Programme (NNCP): Organization of field visits/ nature camps in different Protected Areas/ Nature Parks/ Tiger Reserves of the country for students.</li> </ul> </li> </ul>
LeadIT (Leadership for Industry Transition) Initiative	<ul> <li>Background: Launched at the UN Climate Action Summit, 2019</li> <li>Aim: To help guide the world's hard to-decarbonize and energy-intensive sectors/industries toward the low-carbon economy.</li> <li>Launched by: India and Sweden together with some other countries.</li> <li>Supported by: World Economic Forum</li> <li>LeadIT gathers countries and companies that are committed to action to achieve the Paris Agreement.</li> <li>LeadIT members subscribe to the notion that energy-intensive industry can and must progress on low-carbon pathways, aiming to achieve net-zero carbon emissions.</li> </ul>

Colombo	• It is a <b>roadmap for action on nitrogen challenges</b> proposed by Sri Lanka in 2019
Declaration on	and endorsed by the United Nations member states. It seeks to halve nitrogen
Sustainable	waste by 2030.
Nitrogen	• It has been developed with the <b>technical support of the International Nitrogen</b>
Management	Management System (INMS), a joint activity of the UNEP and the International
	Nitrogen Initiative supported by the Global Environment Facility (GEF).
Nagar Van Yojana	• It was launched in 2020, on <b>World Environment Day (5<sup>th</sup> June).</b>
(NVY)	• It envisages developing 400 Nagar Vans and 200 Nagar Vatikas in the country
	during the period of <b>2020-21 to 2024-25.</b>
	• <b>Objective:</b> To significantly enhance the tree outside forests and green cover,
	enhancement of biodiversity and ecological benefits to the urban and peri-
	urban areas apart from improving quality of life of city dwellers.
	Under the scheme
	• These forests will <b>come up either on existing forest land</b> or on any <b>other</b>
	vacant land offered by urban local bodies.
	• Van Udyan once established will be <b>maintained by the State Government.</b>
	• The scheme is fully funded under CAMPA (Compensatory Afforestation Fund
	Act, 2016) funds.

# 19. MINISTRY OF FISHERIES, ANIMAL HUSBANDRY & DAIRYING

# **19.1. PRADHAN MANTRI MATSYA SAMPADA YOJANA (PMMSY)**

#### **Quick Facts**

- **Purpose:** Bring **Blue Revolution** through sustainable and responsible development of fisheries sector in India.
- Type: Both CENTRAL SECTOR SCHEME and Centrally Sponsored SCHEME
- Approach: To the extent possible, 'cluster or area-based approaches' to be adopted
- Tenure: FY 2020-21 to FY 2024-25

#### Objectives

- Harnessing of fisheries potential, modernizing value chain, post-harvest management and quality improvement
- Build robust fisheries management and regulatory framework
- Doubling fishers and fish farmers' incomes and generation of employment

#### Salient features

- PMMSY Investment: 42% for fisheries infrastructure (harbors, cold chains, markets, villages, deep-sea fishing).
- Swath Sagar Plan: Includes bio-toilets, vessel insurance, e-trading, resource surveys, and IT databases.
- National network of Brood Banks: State/UTbased species-specific brood banks for quality fish breeding.
- Integrated Laboratory Network: For addressing diseases, antibiotics and residues issues, aquatic health management.
- Aqua Parks: One-stop hubs for fisheries and aquaculture activities.
- **Project Monitoring and Evaluation Unit** (**PMEU**): A fisheries department team led by a Joint Secretary oversees implementation.
- Key Initiatives
  - National Fisheries Digital Platform (NFDP): Foundation for evidence-based fisheries management under PM-MKSSY.

# Aims of PMMSY

Increase of contribution of Gross Value Added (GVA) of fisheries sector to agriculture GVA to 9%.

**Double export earnings** to about Rs. 1 lakh crore.

**Reduction of post-harvest losses** to about 10% (currently 25%)

**Doubling of incomes** of fishers and fish farmer.

- **Pradhan Mantri Matsya Kisan Samridhi Sah-Yojana (PM-MKSSY):** A ₹6000 crore sub-scheme of PMMSY, supported by the World Bank and AFD.
- Matsya Sampada Jagrukta Abhiyan: Awareness campaign for nationwide outreach.
- **River Ranching Programme:** Enhances fish production through land and water utilization; NFDB is the nodal agency.
- NSPAAD Phase-II: Focuses on early detection and management of aquatic diseases.
- **Genetic Improvement of Penaeus indicus:** Establishes a National Genetic Improvement Facility for shrimp breeding.

# **19.2 PRADHAN MANTRI MATSYA KISAN SAMRIDHI SAH-YOJANA (PM-MKSSY)**

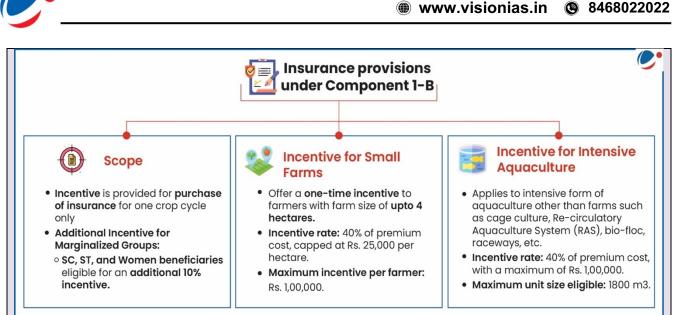

#### **Quick Facts**

- Purpose: Formalization of the fisheries sector and supporting fisheries micro and small enterprises
- Type: Central Sector Scheme
- Sub-scheme of: Pradhan Mantri Matsya Sampada Yojana
- Tenure: FY 2023-24 to FY 2026-27

### Objectives

- Gradual formalization of the unorganised fisheries sector.
- Facilitating institutional finance to fisheries sector micro and small enterprises.
- **Providing a one-time incentive** to beneficiaries for purchasing aquaculture insurance.
- Incentivizing for improving fisheries sector value-chain efficiencies.

- Intended beneficiaries
  - **Fishers, Fish (Aquaculture) Farmers, Fish workers, Fish Vendors** or such other person directly engaged in fisheries value chain.
  - Micro and Small enterprises in the form of Proprietary Firms, Partnership Firms and Companies registered in India, Societies, Limited Liability Partnerships (LLPs), Cooperatives, Federations, Village Level Organizations like SHGs, Farmers Producer Organizations (FPOs) and Fish FPOs
  - Startups engaged in fisheries and aquaculture value chains.
  - o Any other beneficiaries that may be included by the Department of Fisheries,
- Funding: Total outlay of 6000 crore rupees, of which-
  - **50% will come from public finance** including **the World Bank and the AFD** (French Development Agency) external financing
  - $\circ~$  50% will be contributed by the beneficiaries from private sector
- Key components
  - Component 1-A: Formalization of the fisheries sector and facilitating access of fisheries microenterprises to Gol programs for the financing of working capital.
    - > **National Fisheries Digital Platform** (NFDP) will be created and all the stakeholders will be mobilized to register on it.
      - ✓ The NFDP will serve **multiple functions including disbursement of financial incentives**.
  - **Component 1-B: Facilitating the adoption of aquaculture insurance**: It is proposed to facilitate the creation of appropriate insurance products and to **cover at least 1 lakh hectares of aquaculture farms (Refer to the infographics below)**.

- Component-2: Supporting microenterprises to improve fisheries sector value chain efficiencies.
- **Component-3: Facilitating Adoption and expansion of fish and fishery product safety** and quality assurance systems.
- Component-4: Project management, monitoring, and reporting: It is proposed to set up Project Management Units (PMUs) to manage, implement, monitor, and evaluate project activities.

### **19.3. ANIMAL HUSBANDRY INFRASTRUCTURE DEVELOPMENT FUND (AHIDF)**

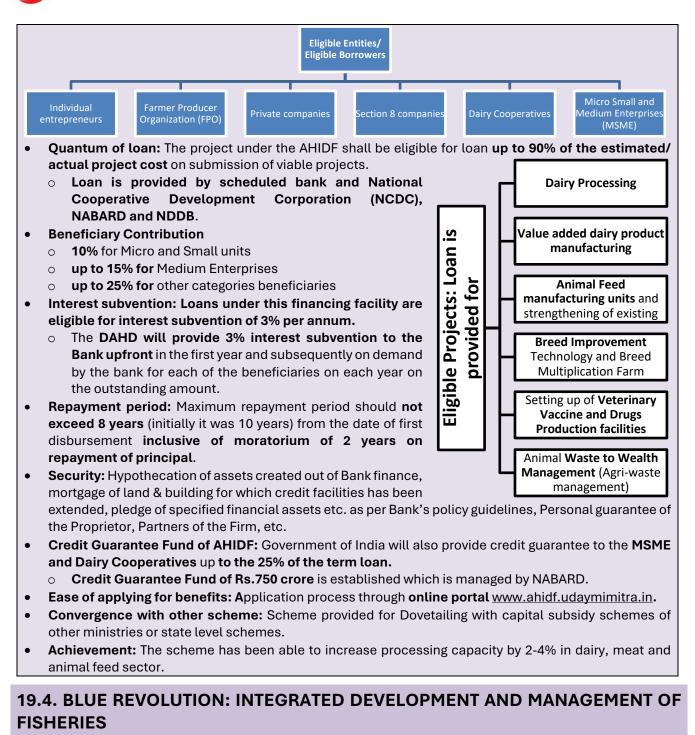

#### **Quick facts**

- **Purpose:** To help increasing of milk and meat processing capacity and product diversification
- Type: Central Sector Scheme
- Financial assistance: Term Loan to the Eligible Entities would be provided
- Tenure: Till 2025-26

#### Objectives

- To help **increasing of milk and meat processing capacity and product diversification** thereby providing greater **access** for unorganized rural milk and meat producers **to organized milk and meat market.**
- To make available increased price realization for the producer and quality milk and meat products for the domestic consumer.
- Develop **entrepreneurship and generate employment** and to **increase the export contribution** in the milk and meat sector.
- To make **available quality concentrated animal feed** to cattle, buffalo, sheep, goat, pig and poultry to provide balanced ration at affordable prices.

- Background: Setting up of Rs. 15000 crore AHIDF was announced under Atma Nirbhar Bharat Abhiyan stimulus package.
  - The scheme has recently been realigned to be implemented under Infrastructure Development Fund (IDF) with a total outlay of Rs.29,610.25 crore.

#### Quick facts

- Type: Central Sponsored Scheme
- **Purpose:** increasing production and productivity from aquaculture and fisheries resources, both inland and marine.
- **Coverage:** all the States including North East States and Union Territories.
- **Support to weaker:** Support to SCs, STs, Women and their co-operatives to take up fishing and fisheries related activities

#### Objectives

- To increase the overall fish production in a responsible and sustainable manner.
- To modernize the fisheries and ensure food and nutritional security.
- To generate **employment and export earnings** and ensure inclusive development.

#### Salient features

- **Vision:** Blue Revolution, the Neel Kranti Mission has the vision to achieve **economic prosperity** of the country and **the fishermen and fish farmers.**
- **Financial assistance:** It provides financial assistance for **development of fisheries and aquaculture** sector including fish production and post-harvest related activities like fish brood banks, hatcheries, construction of ponds.
- Components of the Blue Revolution
  - National Fisheries Development Board (NFDB)
  - o Development of Inland Fisheries and Aquaculture
  - Development of Marine Fisheries, Infrastructure and Post Harvest Operations
  - National Scheme on Welfare of Fishermen
  - o Monitoring, Control and Surveillance (MCS) and other need based Interventions
  - o Institutional Arrangement for Fisheries Sector
  - Strengthening of Database & Geographical Information System of the Fisheries Sector
- **Mission Fingerling:** To facilitate the **establishment of hatcheries and Fingerling rearing ponds** to ensure certain level of production of fish fingerling, post larvae of shrimp and crab in the country.
- Fisheries and Aquaculture Infrastructure Fund (FIDF)
  - $\circ~$  It was established with a fund size of  $\mbox{Rs.\,7522.48}$  crore.
  - The Centre provides **interest subvention up to 3% per annum** for providing the concessional finance by the **Nodal Loaning Entities** for development of infrastructure in the fisheries sector.
  - o **Tenure:** 2025-26

# **19.5. RASHTRIYA GOKUL MISSION (RGM)**

#### Quick facts

- Purpose: To boost growth in livestock sector, development and conservation of indigenous bovine breeds
- Sub-scheme of: Rashtriya Pashudhan Vikas Yojana
- Key beneficiaries: Small and marginal farmers particularly women
- Tenure: 2021-22 to 2025-26

#### Objectives

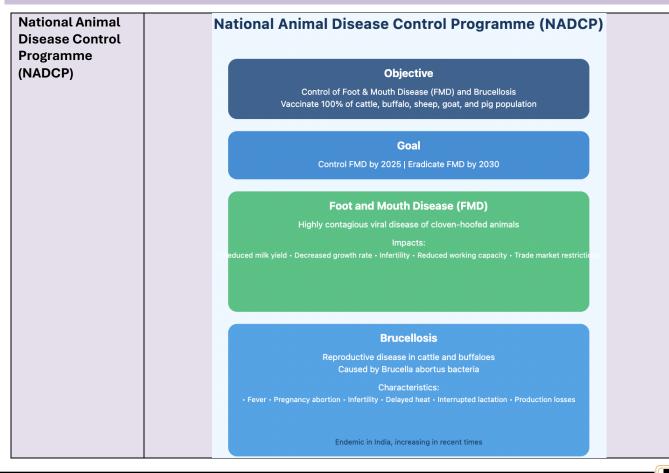

- Increase bovine productivity and milk production sustainably using advanced technologies.
- Genetic Improvement by Promoting the use of high genetic merit bulls for breeding and conservation of indigenous cattle and buffaloes
- Expansion of Artificial Insemination (AI) and ensure **doorstep delivery of AI services to farmers.**

- Background: Launched in 2013-2014 under the National Programme for Bovine Breeding and Dairy Development.
- Key Components of the Scheme
- Heifer Rearing Centres: The government will provide a one-time 35% capital subsidy to establish Heifer Rearing Centres, supporting 30 facilities that can house 15,000 heifers in total.
  - Heifer is any young, female, domestic bovine that has not produced offspring.
- Support for high-genetic-merit in vitro fertilization (IVF) heifers: The government will offer a 3% interest rate reduction on loans for farmers purchasing high-genetic-merit IVF heifers.

- Availability of High genetic Merit Germplasm via Bull Production Programme through Progeny Testing and Pedigree Selection.
  - o Implementation of IVF Technology.
- **Extension of Artificial Insemination (AI) Network** via establishment of Multi-Purpose AI technicians in Rural India (MAITRIs) to meet shortage of AI technicians in the country.
  - Implementation of **National Digital Livestock Mission** that will enable inputs of all reporting, including disease and outbreak.
- **Development and Conservation of indigenous breeds** via assistance to Gaushalas, Gosadans and Pinjarapoles which are maintaining elite animals of indigenous breeds.
- Increasing awareness via Nationwide AI Programme to ensure free of cost AI at the farmer's doorstep.
   Awards to Farmer (Gopal Ratna/ Kamdhenu).
- **Skill Development** via training of professionals and existing AI workers.
- Research, development and innovation in bovine Breeding
- Implementing Agency: Livestock Development Boards or Milk Federations of States, NDDB, ICAR, etc. Initiatives under RGM
- Establishment of Gokul Grams.
- Establishment of **National Kamdhenu Breeding Centers**: To act as repository of indigenous germplasm of all indigenous breeds (Andhra Pradesh and Madhya Pradesh).
- **e-Pashu Haat Nakul Prajnan Bazaar:** An e-market portal connecting breeders and farmers, for quality disease-free bovine germplasm.
- Advanced Reproductive Technology: To improve availability of disease-free female bovines.

## **19.6. OTHER SCHEMES/INITIATIVES**

National	• Aim: To enhance quality of milk and milk products and increase share of							
Programme for	organized milk procurement.							
Dairy	• Tenure: 2021-22 to 2025-26							
Development"	The scheme has two components:							
scheme	<ul> <li>Component 'A'</li> </ul>							
	<ul> <li>Creating/strengthening of infrastructure for quality milk testing equipment as well as primary chilling facilities for Cooperatives /SHG run private dairy/Milk Producer Companies/Farmer Producer Organisations.</li> <li>Component 'B'</li> <li>Aided by Japan International Cooperation Agency (JICA).</li> <li>Being implemented in 9 states namely Bihar, Uttar Pradesh, Punjab, Rajasthan, Madhya Pradesh, Andhra Pradesh, Telangana, Uttarakhand and West Bengal.</li> </ul>							
	> It facilitates creation of necessary dairy infrastructure for market							
	linkages for the produce in villages and strengthening of capacity							
	<b>building</b> of stake-holding institutions from village to State level.							
National Livestock	<ul> <li>Objectives: Employment generation through entrepreneurship development in</li> </ul>							
Mission (NLM)	small ruminant, poultry and piggery sector & Fodder sector, increase of per							
	animal productivity through breed improvement, increase in production of meat,							
	egg, goat milk, wool and fodder.							
	<ul> <li>Key components:</li> </ul>							
	Breed Development of Livestock and Poultry     Feed and Fodder Development     Innovation and Extension							
National Action	• As per the action plan, infected animal should be eliminated immediately.							
Plan for Control	o In case absolutely essential, the positive animal may be transported to							
and Eradication of	appropriate area for destruction and further disposal in closed vehicles.							
Glanders	<ul> <li>All the zoo-sanitary measures should be followed at the time of culling and</li> </ul>							
	disposal of carcasses.							
	Glanders:							
	• It is a <b>contagious and fatal disease</b> of equines (horses, donkeys and							
	mules) caused by the <b>bacterium Burkholderia mallei.</b>							
	Humans can also get this disease.							
	No vaccine is available for the disease.							

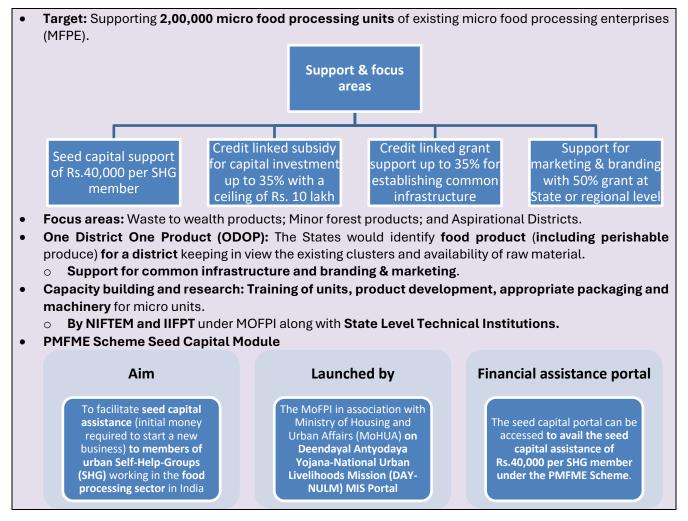

# 20. MINISTRY OF FOOD PROCESSING INDUSTRIES (MOFPI)

20.1. PRADHAN MANTRI FORMALISATION OF MICRO FOOD PROCESSING ENTERPRISES (PMFME)

#### Quick facts

- Type: Centrally Sponsored scheme
- **Tenure:** 5 years from 2020-21 to 2024-25
- Intended beneficiaries: Existing micro food processing enterprises, FPOs/SHGs/Producer cooperatives.
- Nodal Bank: Union Bank of India

**Objective**: To provide financial, technical and business support for **upgradation of existing micro food processing enterprises** 

### 20.2. PRADHAN MANTRI KISAN SAMPADA YOJANA (PMKSY)

#### Quick facts

- Purpose: Provide a big boost to the growth of food processing sector in the country
- Type: Central Sector Scheme
- **Potential benefits:** Doubling farmers' income, creating employment, reducing wastage of agricultural produce.
- Tenure: From 2021-22 to 2025-26

#### **Objectives:**

- Creation of modern infrastructure with efficient supply chain management from farm gate to retail outlet.
- Help in **providing better returns to farmers** and creating huge **employment opportunities** especially in the rural areas.
- Reducing wastage of agricultural produce, increasing the processing level and enhancing the export of the processed foods.
- **Background: Centre** approved the umbrella scheme named **SAMPADA** (Scheme for Agro-marine processing and Development of Agro-processing Clusters) **in 2017** for implementation till 2020.
  - The scheme was subsequently renamed as **'Pradhan Mantri Kisan SAMPADA Yojana (PMKSY) with some components being discontinued.**

#### **Component of PMKSY:**

- Integrated Cold Chain and Value Addition infrastructure (Cold Chain): Provides seamless cold chain facilities from farm gate to consumer.
  - Set up by eligible firms, companies, cooperatives, SHGs, FPOs, NGOs, PSUs, etc.
  - Cold chain for **fruits and vegetables** is implemented under the **Operation Greens (OG) Scheme** to ensure convergence
    - > Operation Greens (OG) announced in Union Budget 2018-19 on the line of "Operation Flood".
      - ✓ Initially the scheme was launched for development of Tomato, Onion and Potato (TOP) value chain.
      - ✓ Under "Aatmanirbhar Bharat Package" of 2020 its scope was expanded from TOP crops to all fruits and vegetables (i.e. TOP to TOTAL).
- **Creation of Infrastructure for Agro Processing Cluster (APC):** Aimed at setting up smaller-scale food processing units, similar to Mega Food Parks. **At least 10 acres of land is required.**
- **Creation/ Expansion of Food Processing and Preservation Capacities (Unit Scheme):** Focuses on creating and expanding processing facilities within Mega Food Parks (MFPs) and APCs
  - Implemented by **PSUs**, **Joint Ventures**, **FPOs**, **NGOs**, **Cooperatives**, **SHGs**, **private firms**, **and individuals** for food unit establishment or modernization.
- Food Safety and Quality Assurance Infrastructure (FTL): Supports food testing labs and global certifications (HACCP, ISO 22000).
- Human Resource & Institutions (HRI)-Research and Development: 100 R&D projects have been sanctioned for 15th FC cycle.

#### **Other Features**

- Inter-scheme re-allocation: Based on mid-term correction inter-scheme reallocation of the outlay may be approved by the Minister I/C of MoFPI subject to 25% of the original outlay of that scheme.
- **Use of savings of committed liability:** Savings from committed liability for any scheme shall be used for sanction of new projects under the scheme.

#### Initiatives by (QCI) for ensuring Food Safety and Quality Assurance

- QCI has developed "IndiaGHP" and "IndiaHACCP" based on globally accepted Codex Standards.
- These schemes will help India food chain related industry to demonstrate compliance to global standards without having to go for costly and time consuming foreign certifications as many countries have mandated
  - Hazard Analysis Critical Control Point (HACCP) for high risk sectors like meat, fish, dairy etc.
  - Good Hygienic Practices (GHP) across all food sectors.

# 20.3. PRODUCTION LINKED INCENTIVE SCHEME FOR FOOD PROCESSING INDUSTRY (PLISFPI)

#### Quick facts

- **Type:** Central Sector Scheme
- Purpose: Expansion of processing capacity and branding abroad to incentivise emergence of strong Indian Brands
- Tenure: 2021-22 to 2026-27
- Implementing Agency: Project Management Agency (PMA)

**Objective:** Support Food manufacturing entities for enhancing global footprint and employment generation.

- **Applicants:** Limited Liability Partnership (LLP) or a Company registered in India; Cooperatives; SME and applicants making an application for coverage under the Scheme.
- Key Components: 3 Components
  - o Incentivising manufacturing of four major food product segments
    - > Ready to Cook/ Ready to Eat (RTC/ RTE) foods including Millets based products
    - > Processed Fruits & Vegetables
    - > Marine Products
    - > Mozzarella Cheese
  - Incentivise Innovative/ Organic products of SMEs across all four earlier mentioned food segment including Free Range Eggs, Poultry Meat, Egg Products
  - Support for branding and marketing abroad to incentivise the emergence of strong Indian brands
- Scheme is "fund limited": The maximum incentive shall be restricted to the pre-approved limit.
- Monitoring
  - The Scheme would be monitored at Centre by **the Empowered Group of Secretaries chaired by the Cabinet Secretary.**
  - A third-party evaluation and mid-term review mechanism would be built in the programme.
- Benefits under other scheme: Coverage under the PLI Scheme will not affect eligibility under other schemes like Pradhan Mantri Kisan Sampada Yojana.

## **20.4. OTHER SCHEMES/INITIATIVES**

Nivesk Dandhu							
Nivesh Bandhu	It is an investor facilitation portal.						
	It provides information on Central and State Governments' investor friendly						
	policies, agro-producing clusters, infrastructure, and potential areas of investment						
	in the food processing sector.						
Scheme of Cold	Objective: To reduce post-harvest losses of horticulture and non-horticulture						
Chain, and Value	agri-produce.						
Addition	• It provides integrated cold chain and preservation infrastructure facilities,						
Infrastructure	without any break, from the farm gate to the consumer.						
	• The scheme allows <b>flexibility in project planning</b> with special emphasis on creation of cold chain infrastructure at farm level.						
	• Facilitates distribution of <b>non-horticulture</b> , <b>horticulture</b> , <b>fish/marine</b> (except shrimp), dairy, meat and poultry.						
	• Projects could be established by Partnership / Proprietorship Firms, Companies,						
	Corporations, Cooperatives, SHGs, FPOs, NGOs, etc.
