

CSAT

CRASH COURSE 2025

(Approach is to revise and strengthen fundamental concepts, enhance problem-solving abilities, hone analytical skills, foster critical thinking, and improve comprehension skills for Prelims 2025.)

Start: 21st January
(Offline/Online)

ABOUT CSAT

The Civil Services Aptitude Test (CSAT), officially known as GS Paper-II, is a qualifying paper in the UPSC Civil Services Examination, requiring candidates to secure a minimum of 33% marks to qualify. This paper is designed to assess the analytical and reasoning abilities of candidates and emphasizes areas such as reading comprehension, interpersonal skills, logical reasoning, analytical ability, decision-making, problem-solving, general mental ability, basic numeracy, and data interpretation (involving charts, graphs, tables, and data sufficiency).

In recent years, the difficulty level of the CSAT exam has increased significantly, making it imperative for aspirants to approach this paper with focused preparation. To help candidates effectively cover and revise the syllabus within a short timeframe, VisionIAS introduces the CSAT Crash Course. This program is tailored to address the increasing complexity of the CSAT paper and is designed for efficient syllabus coverage, quick concept revision, and intensive practice.

Backed by years of research and analysis of the Civil Services Examination, the CSAT Crash Course ensures aspirants are well-prepared to meet the dynamic expectations of the exam and perform confidently.

HIGHLIGHTS OF THE PROGRAM

The program includes comprehensive coverage of all the topics covered in the CSAT syllabus.

Access to LIVE as well as Recorded Classes on your personal online student portal.

Includes comprehensive, researched and smart study material for tackling basic to advanced problems.

Regular practice and assessment through class tutorials and Mini Tests.

Dedicated slot for tutorial session for conceptual clarity and doubt resolution

Performance assessment and feedback through an innovative assessment system.

Dedicated, dynamic and multi-layered mentoring ecosystem for preparation management.
